RE: **Progress Report #3**

I would like to take a moment to thank the SCC community and let you know that we greatly appreciate the time and dedication of those who participated in the recent public forums where we received valuable input from students, faculty, staff and community members to assist with the development of the Presidential Profile. Additionally, I want to thank everyone who also shared their feedback through email and phone calls to our ACCT Search Consultant. The Presidential Profile will provide applicants with a deeper understanding of the College's challenges and opportunities, as well as desired characteristics for the next President.

I would also like to send a special thank you to the Presidential Search Committee members who reviewed the procedures, policies, the draft profile and timeline for the search, and will focus on application review and semi-finalist candidate interviews in October and November.

At the Special Board Meeting, which took place on August 29, the Board finalized and approved the Presidential Profile. We encourage everyone to visit the Presidential search webpage and view information about the search including the Presidential Profile: https://www.southeast.edu/PresidentialSearch/

The recruitment process for the next President is underway and the **target date for receiving applications is Tuesday, October 15, 2013.**
