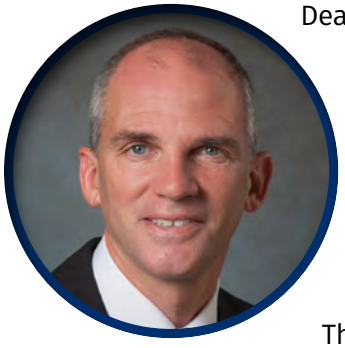
Southeast
COMMUNITY COLLEGE

2023 GRADUATE REPORT

Employment & Transfer Statistics



Dear Friend of Southeast Community College,

On behalf of the Board of Governors, the alumni, faculty, staff, and students of this excellent institution, I am pleased to present Southeast Community College's Graduate Report. The report includes graduation and employment statistics associated with 2023 graduates from all of our applied technology and transfer programs.

The report includes the total number of graduates and degrees granted, the number employed within the training-related field, the number continuing their education, the percent employed within Nebraska, and the average starting salary for SCC graduates. In addition to graduation and employment statistics, the report includes the colleges and universities to which our graduates transferred, as well as the employers and starting positions associated with each of SCC's program graduates.

This report represents one of our many efforts to evaluate the success of our programs and the degree to which we are accomplishing our mission.

SCC is committed to its mission of providing the highest quality applied technology and academic education opportunities to its 15-county service area. SCC had more than 1,400 graduates during 2023, with 95% employed or continuing their education immediately after graduation. Eighty-five percent of our employed graduates are working in Nebraska. Ninety-one percent of graduates who are continuing their education are staying in Nebraska. Remarkably, these graduate statistics are consistent with past graduate data. On behalf of SCC, I congratulate our faculty, staff and graduates for this incredible accomplishment.

SCC has a long history of ensuring that employers have access to qualified graduates who have the skills needed for successful and productive employment. SCC continually seeks to align its programs with the specific needs and requirements of employers and transfer institutions. We are committed to meeting the educational needs of our students, employers and the community.

Sincerely,

Paul Illich, President
Southeast Community College

The mission of Southeast Community College is to empower and transform its students and the diverse communities it serves. The College provides accessible, dynamic, and responsive pathways to career and technical, academic transfer, and continuing education programs. Student success and completion is maximized through collegiate excellence, exemplary instruction, comprehensive student support services, enrichment programs, and student-centered processes. SCC is committed to a proactive and evidence-based approach that continually assesses and responds to student, community and employer demand for higher education.

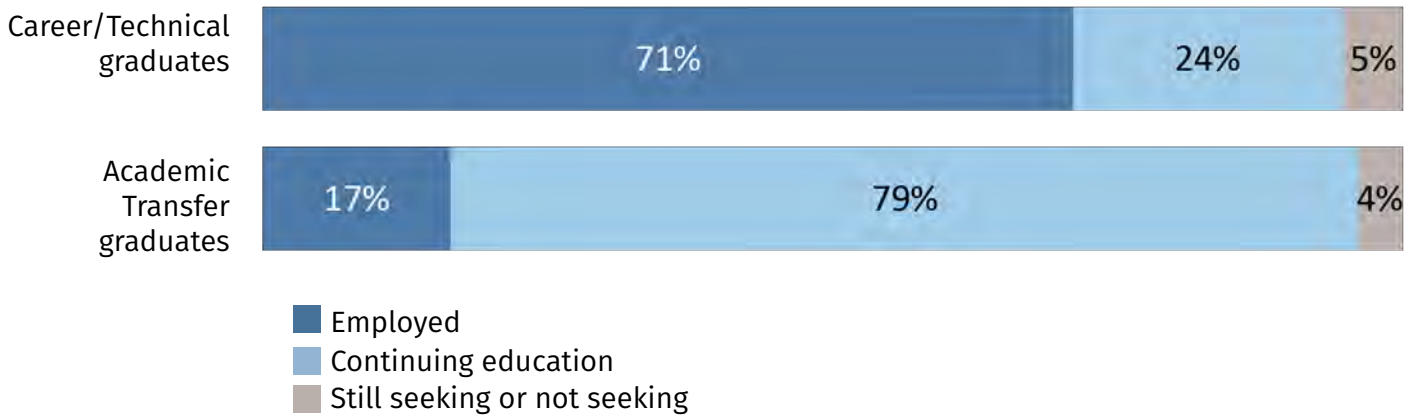
95% SUCCESS RATE

SCC graduates who are employed or continuing their education.

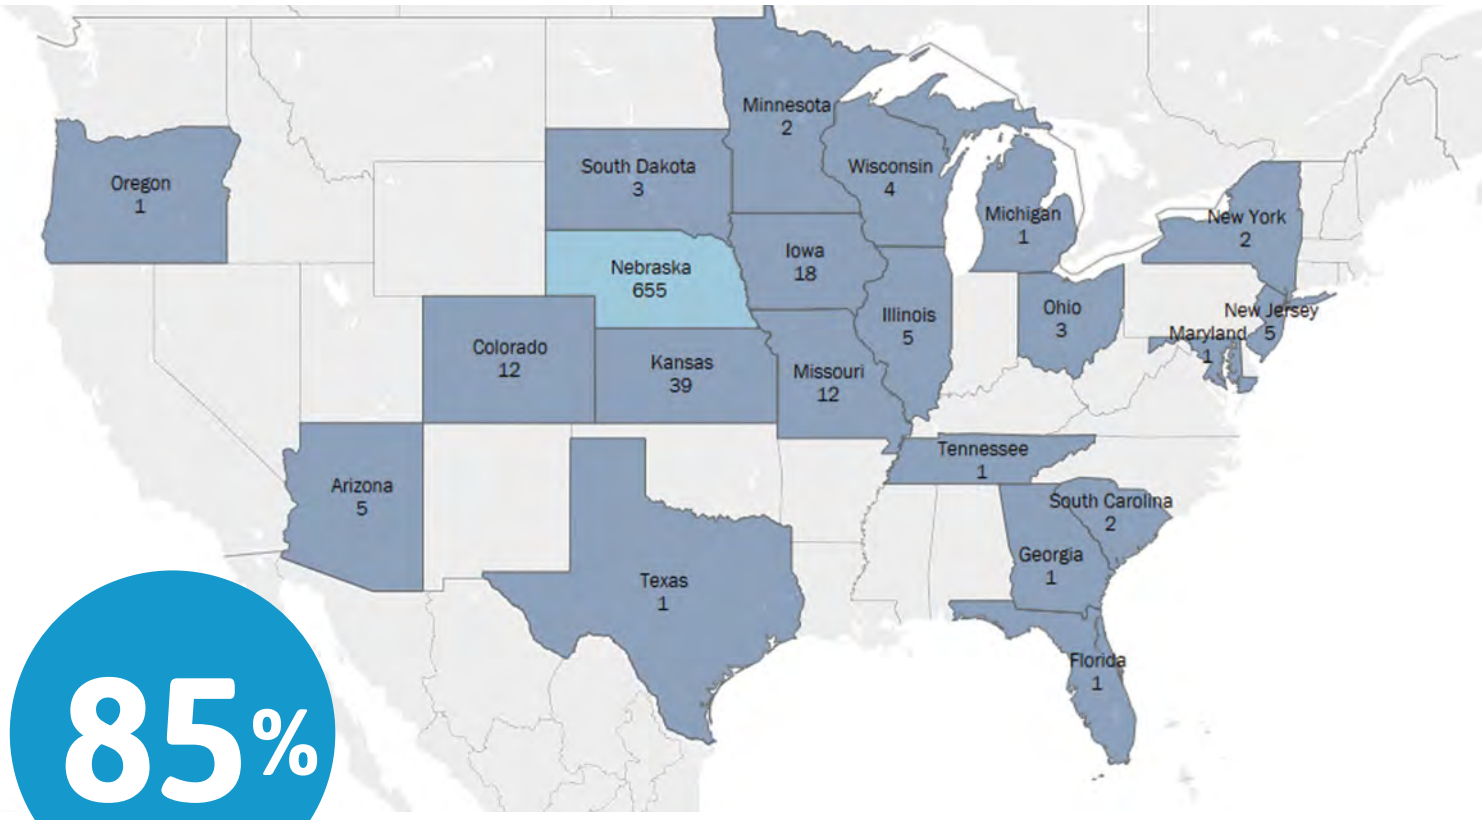
Of 1,457 graduates during the calendar year, only 4.9% of those who responded were not employed or continuing their education.

Employment and Transfer

A large majority of the 750 graduates from Career/Technical fields who responded are employed (71%), and a large majority of the 161 Academic Transfer graduates who responded are continuing their education (79%).



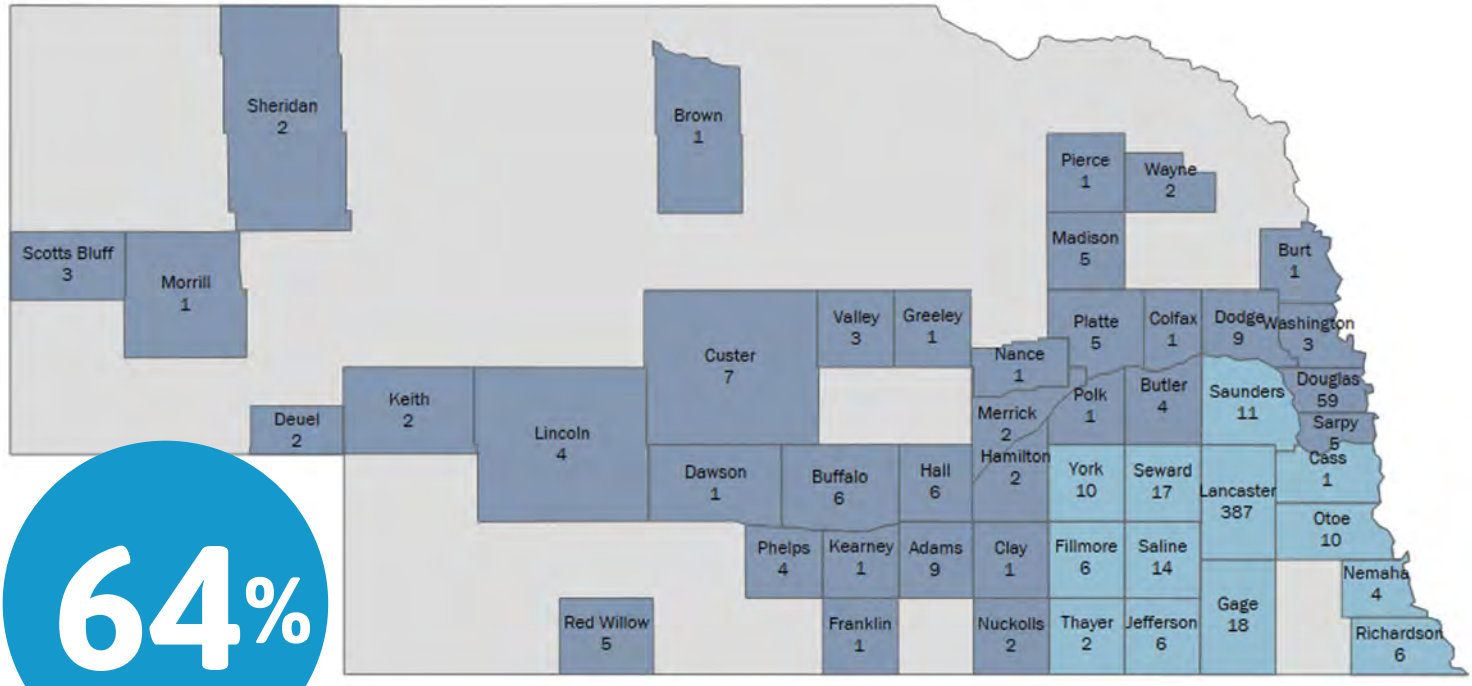
STATE AND REGIONAL IMPACT



85%

of employed graduates working in Nebraska.

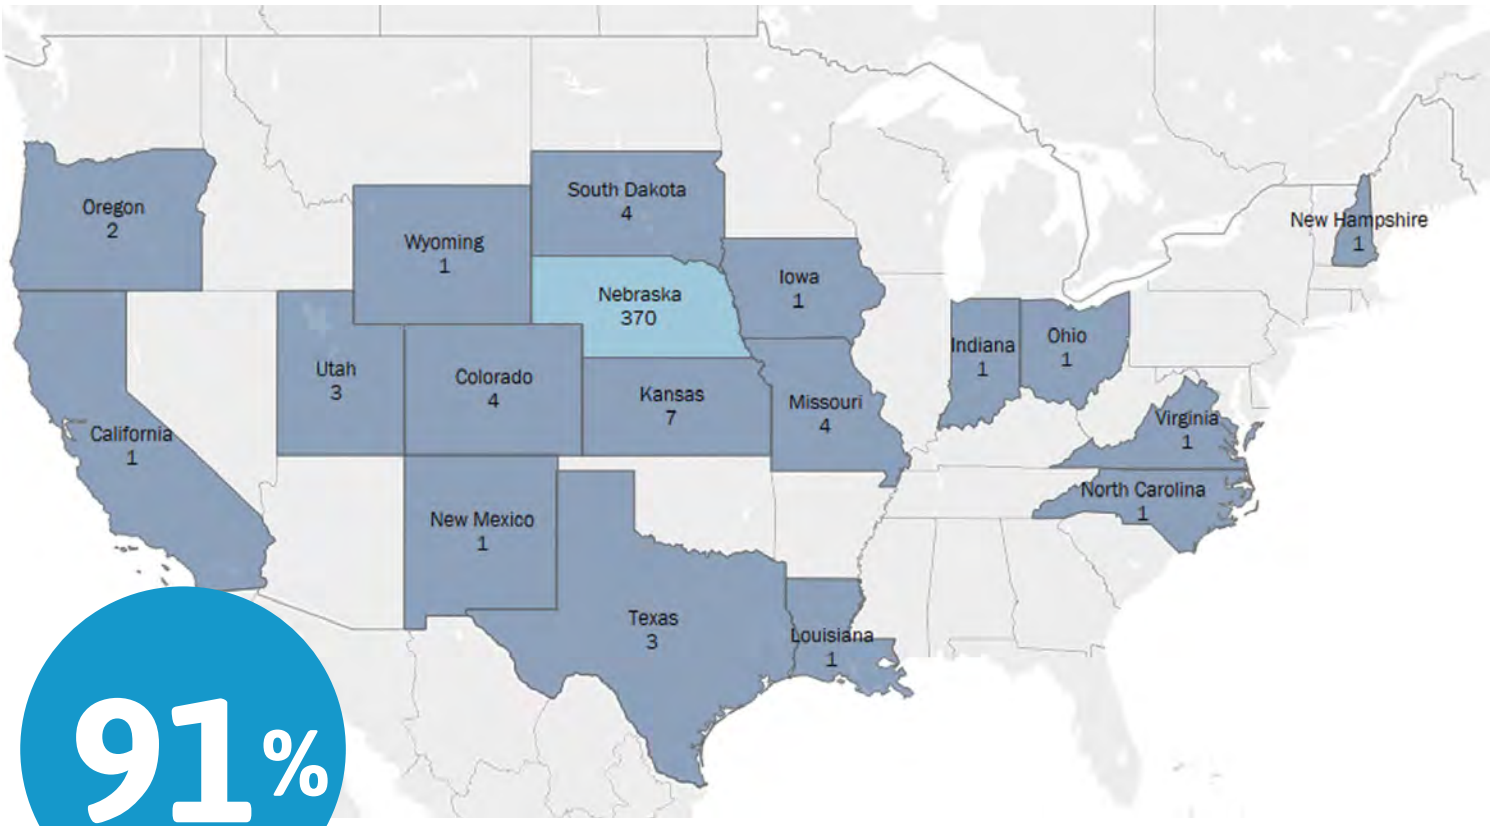
Total employed: 774



64%

of employed graduates are working in our 15-county service area.

CONTINUING EDUCATION



91% **of graduates who are continuing their education are doing so in Nebraska.** *Total continuing education: 407*

All salaries are based on a 40-hour work week unless noted. Salary statistics reflect certificates, diplomas and associate degrees. The graduates in the "Still Seeking, Not Seeking, No Response" column are not included in the percentage calculations. Values may not add to 100% due to rounding.

(A.A.) = Associate of Arts
(A.S.) = Associate of Science

[1] Salaries were reported from Lightcast at the 10th percentile salary level for the Standard Occupational Code(s) associated with the program.

[2] Transfer degree, no salary.

[3] To obtain a sample large enough to report, salary information is based on graduates from 2021, 2022 and 2023.

[4] To obtain a sample large enough to report, salary information is based on graduates from 2022 and 2023.

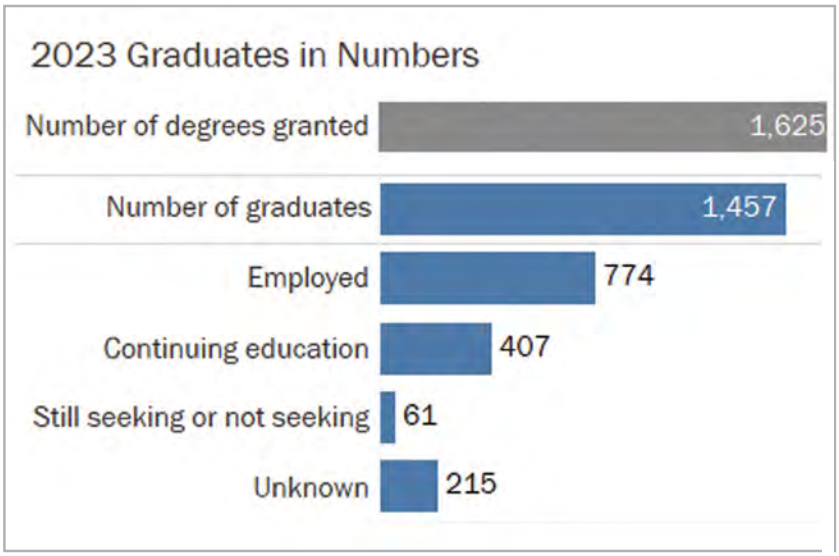
[5] Truck drivers may be paid by the hour, by the week, or based on the number of miles driven. In 2023, the average starting pay for first-year truck drivers in Nebraska was $46,000-49,000.

[6] Must complete 640 hours of a state-specific Administrator-in-Training program.

[7] Pay plans and benefits vary to include commissions and bonuses.

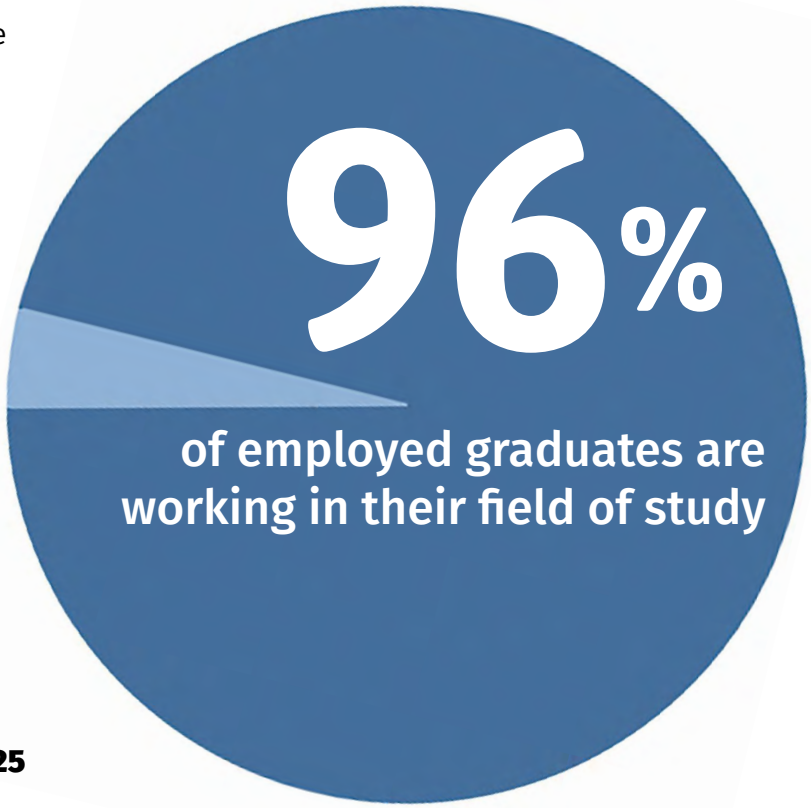
Gathering Data

Information about the post-graduation status of SCC graduates was collected directly from the graduates at or near the time of graduation and from the National Student Clearinghouse. The information was collected by the Career Services Offices at the time of graduation through personal conversations, classroom visits, telephone calls, emails, mailings, texts and social media.



Wage and employment information has been self-reported by graduates for their first job after graduation. Self-reported continuing education status was supplemented with information from the National Student Clearinghouse.

One hundred forty-two (142) graduates completed multiple awards during 2023. The number of students receiving multiple awards increased significantly compared to past years because starting in Fall 2023 students were auto-awarded degrees if they met the degree requirements. All percentages and location-based counts use the unique number of graduates. The data table is based on the number of awards. In the data table, the graduates who completed multiple awards will be counted multiple times, once for each award they received.

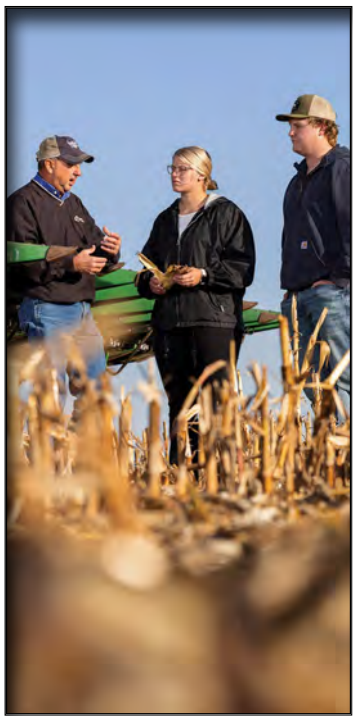


- **Number of awards granted during 2023: 1,625**
- **Number of graduates during 2023: 1,457**
- **Number of graduates who responded: 1,242**
- **Response rate: 85.2%**

HIRING COMPANIES

The following pages contain a partial list of companies that hired 2023 SCC graduates, as well as their positions.

AGRICULTURE MANAGEMENT & PRODUCTION



COMPANIES

Aurora Cooperative
Bartlett Grain Elevator
Beck's Hybrids
Berks Feed Solutions
Bruha Family Farms
Buchheit of Beatrice
Daake Farms
Deters Farm
