

Fall 2015 | For the 2014-2015 Academic Year

ANNUAL REPORT

*We are dedicated to the thousands of students
who dream, plan and work
toward their educational and life goals.*

www.southeast.edu/EducationalFoundation

From the Educational Foundation Executive Director

Dear Friends,

Having been employed at Southeast Community College since 1975, I have had the privilege to work with countless individuals who shared a common goal: to ensure that students who wanted to enroll at SCC would be given every opportunity to do so. Removing barriers, particularly those financial in nature, is an obligation that I do not take lightly. Did you know that more than 80 percent of SCC's enrolled students need some form of financial assistance to pursue their higher education goals?

Since its creation in 1975, the Foundation's focus has been on students. How can we raise more dollars so that more students can experience all that SCC has to offer? That is where you can help. Even though SCC is one of the most affordable institutions of higher education in Nebraska, it doesn't mean that everyone who wants to attend SCC has the financial ability to do so.

Donations from alumni, friends, businesses, and supporters are essential, and I am deeply grateful that we have a solid base of donors who consistently demonstrate their desire to help sustain our efforts.

Scholarship support has become an increasingly important source of tuition assistance for our students. Scholarships instill in our students a tremendous sense of pride and accomplishment that can lead to great things. Your support is the difference maker for many of our SCC students. On behalf of the entire Foundation Board, thank you for your support. Together, we are changing the future for our students.

Sincerely,

Jack J. Huck

Executive Director, SCC Educational Foundation

From the SCC President

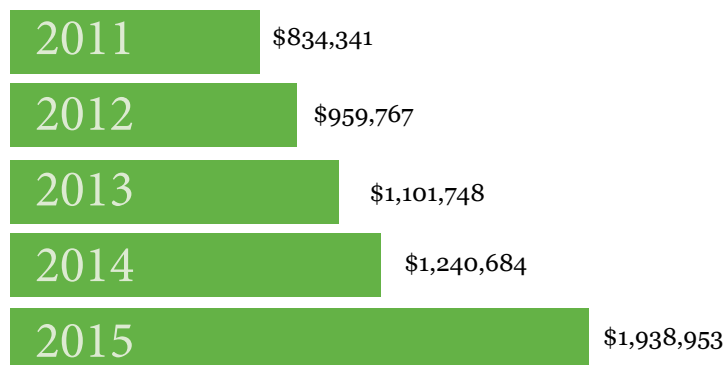

On behalf of the Southeast Community College Board of Governors, administration, faculty, and staff, I want to thank the Southeast Community College Educational Foundation and all of its generous and thoughtful contributors. SCC is committed to its mission of providing accessible, dynamic and responsive pathways to career and technical, academic transfer and continuing education programs. SCC seeks to create futures through inquiry, knowledge and application. The SCC Educational Foundation plays a critical role in supporting this mission. This past year the Foundation awarded more than 3,000 scholarships totaling more than \$1.9 million.

SCC recently completed its 2015-19 Strategic Plan, which will guide the institution as it continues to implement transformational, creative and responsive solutions to meet the current and future higher education needs of southeast Nebraska. One of the core values of this plan is inclusion, which involves the promotion of opportunities and advancement for a diverse and dynamic student population. The Foundation and its contributors serve as catalysts for this critical core value by providing affordable access to both career and transfer programs through a variety of scholarships.

I am very thankful for the contributors and supporters of the SCC Foundation. Your commitment to SCC is truly a gift to not only our students but to the entire 15-county community we serve. Thank you for your generosity, commitment and thoughtfulness.

Paul Illich, President
Southeast Community College

Scholarship Dollars Awarded

Ways to invest

Cash Gift or Pledge

The most popular way to give is an immediate cash gift or a pledge paid over time.

Endowments

A perpetual resource because the principle remains intact, and investment income is used to provide financial awards to students. A new endowment in your name or someone else's requires a minimum gift of \$5,000.

Bequests by Will or Living Trust Distribution

Donors may specify a gift of cash, stocks, bonds, real estate, or personal property or give a percentage of their estate or the residual of the estate after gift bequests to family members.

Retirement Savings or Insurance Beneficiary

To name the Foundation as one of the beneficiaries of retirement funds, the donor should make arrangements through the retirement fund's administrator. Other ways to give include naming the Foundation a beneficiary of an insurance policy, assigning annual dividends, or donating a paid-up policy.

Real Estate

Gifts of real estate, whether private, commercial or agricultural, may be given to the Foundation.

Stocks, Bonds, Securities

Appreciated assets held for more than one year may be transferred to the Foundation and deducted at fair market value, up to 30 percent of your adjusted gross income, without incurring a capital gains tax.

Equipment and Other Property

The Foundation can accept equipment or other personal property that may be used by the College or may be easily converted to a liquid asset.

Matching Gifts

Some employers match charitable donations given by their employees to qualified nonprofit organizations like the Foundation.

Charitable Gift Annuities

A donor can transfer gifts of cash, real estate, or appreciated securities worth \$10,000 or more to the Foundation to fund an annuity agreement leading to lifetime income.

Charitable Remainder Unitrusts

With a gift of \$50,000 or more, donors can establish a trust, ensure a lifetime income for themselves, and support SCC! As the value of the trust increases, so does the donor income.

Charitable Lead Trusts

The Charitable Lead Trust allows a donor to establish a trust for a specific length of time, assign interest income to the Foundation, and later reclaim the asset for the donor or the beneficiary.

Commodities Gift Program

This is for producers who wish to gift a quantity of produce such as corn, beans, wheat, etc. to the Foundation.

Impact on Students

“I wouldn’t be able to go to school without the help and support through grants and scholarships. I am in the Academic Transfer program and plan to go into nursing, hopefully at the University of Nebraska Medical Center. I take my education very seriously, and my excellent grade-point average proves that. Thank you so much for this scholarship. I will continue to work very hard to make the donation go to good use by getting good grades.”

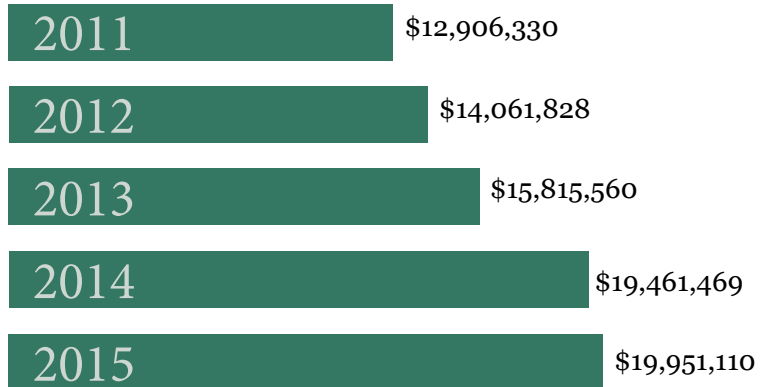

Haley Taege

“I am an Early Childhood Education student returning to the program after more than 15 years. After completing the home-based program in 1998, I pursued my dream of having a family. I am the proud mother of four amazing boys. After staying home with them for 10 years, this is the right time for my family and me to complete this part of my education. After graduation I plan to pursue a career as a child and family advocate. I am truly honored and grateful to be chosen to receive an Educational Foundation scholarship. It not only helps me achieve my goal, it also allows me to lessen my financial burden.”

Angela Schweitzer
