SOUTHEAST COMMUNITY COLLEGE

**EDUCATIONAL
FOUNDATION**

Supporting the vitality and growth of SCC

We are dedicated to the thousands of students who dream, plan and work toward their educational and life goals.

Richard A. Becker, Executive Director
Southeast Community College Educational Foundation
301 S. 68th St. Place, Lincoln, NE 68510
rbecker@southeast.edu
cell: 402-239-5776 ~ office: 402-323-3411

*A*s I write this article, I am reminded once again that the SCC community extends far beyond the geographic boundaries of our campus sites and this region. No matter where you live, you are a member of the SCC family united by memories, traditions and a strong belief in the mission of SCC.

Since its beginning, the Southeast Community College Educational Foundation has supported the vitality and growth of the College to benefit students, staff and the communities the institution serves through the development and wise use of financial resources. Students at SCC succeed in part because of the generosity of alumni and friends like you. With approximately 80 percent of our students accepting some type of financial assistance, we need your help and support of our scholarship programs. Please know that your investment is life-changing for our students:

“Thank you very much for the scholarship I received. It has helped give me the opportunity to go to school, when I otherwise would be struggling to pay for school on my own. This scholarship means a lot and will be a great help to me. With your help, it is possible for me to earn an education past high school, and I am very grateful for that.” Kelsey Lutz

“One of my dreams is to graduate from college and eventually get my master’s degree. This scholarship is a great help to me in making this dream a reality. I hope that someday the career I pursue will allow me to continue this cycle of generosity by contributing to the educational future of young people. I greatly appreciate your gift, and I am now even more motivated in my studies. Thank you very much.” Rodney Meester

More examples of gratitude and how your donation can impact students can be read in the following pages.

Please join us in this important undertaking by making a contribution to one of the SCC Educational Foundation scholarships. For your convenience we have made giving easier than ever by providing an online opportunity. Please go to our website at www.southeast.edu, scroll to the bottom of the page and click on “Giving to SCC.” This will take you to the SCC Foundation page. You also have the option of filling out the donor card and mailing it to the address listed below.

Thank you for creating opportunities and fulfilling dreams. As always, on behalf of the students at SCC, thank you for your generosity.

*Richard A. Becker, Executive Director
SCC Educational Foundation*

STUDENT APPRECIATION

"I am honored to be one of the recipients of an SCC Educational Foundation Scholarship. I am an LPN with a family of

six. I have waited 18 years to continue my education in pursuit of an associate degree in nursing. With a daughter starting college this year and three young children at home, this award is very much appreciated and will help me achieve my goals. I have always been out there helping people. I believe that I am continuing on in the profession I was meant to be involved in. Thank you for helping me to improve my education so that I can better serve the members of this community."

Lisa Campbell

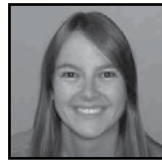

"I am writing to express my sincere gratitude for the scholarship from the SCC Educational Foundation. This has

come at the perfect time for me and my family. When my husband and I decided that I would leave my previous job to continue my education and stay home with our kids (ages 5, 3 and one due in December), we knew that it would stretch us financially, but that the end result would be worth it. I have truly loved going back to school. My focus and desire to learn and understand the material is so much greater now that I'm a little older and more mature. Knowing that this scholarship has been awarded to me will give me even greater incentive

to maintain the high achievement level I now take pride in. Again thank you so much. You have no idea how much this means to me."

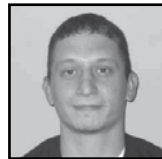

Kristy Fair

"Thank you for selecting me for the EducationQuest Foundation scholarship. I am very grateful,

and this will help me tremendously in achieving my academic goals. I have been attending school for six quarters now and have received all A-pluses, except for one A. Thanks to your help I can focus on studying. I have been volunteering at orphanages and medical clinics for eight years in Honduras and Ethiopia before school and look forward to obtaining the skills needed to be able to return and help to a greater extent with my new knowledge, as well as help people in our community. Thank you for making this possible!"

Christine Fiala

"Thank you for the EducationQuest Foundation scholarship. I'm about to complete my first quarter in Welding

Technology. It has been 10 years since I've been in a classroom, and it has been challenging juggling family, work and school! I will apply this scholarship wisely, and it will allow me to continue my education."

Jacob Elliott Leibel

"I was very happy to learn that I received the Peter Kiewit Scholarship. Thank you for your generous financial support toward my higher education. I am a Computer Information Technology major with a focus on the support side of things. I am ready to start my third quarter. In the coming quarter I plan to seek employment with a local business (in Wahoo). By awarding me the Peter Kiewit Scholarship, I am able to concentrate on what is important to me, education. Your financial generosity has allowed me to get one step closer to my goal and has inspired me to help others by giving back to the community. I hope one day I will be able to help other students achieve their goal just as you have helped me."

Thomas Jackson

"I am honored to receive the Mavis Reeves Scholarship.

Your generous support is helping me to fulfill a lifelong dream of going to college. Growing up in a single-parent home, where my mom had to work very hard to make ends meet, has made me realize the value of a college education. I will be the second in my family to attend college, and I hope to set a fine example for my kids. My first semester at Southeast Community College was both challenging and exciting. It seems that academically I am off to a great start, having made the Dean's List for multiple terms. I have a grade-point average of 3.567.

My plans at this stage are to obtain my A.S. degree from SCC. I will continue my education throughout my lifetime via online training, college classes and jobsite training. I enjoy challenging myself and will pursue my dream at all costs. I will accomplish my goal and use my degree to obtain my dream job here in Lincoln after I graduate. Thanks to generous organizations such as yours, this goal is in now within my reach."

Keil Keihn

"Without donors like you, many students would be unable to pursue the career of their dreams."

"Ever since I was a small child I have wanted to attend nursing school. Since receiving your scholarship, my dream is becoming reality. Without donors like you, many students would be unable to pursue the career of their dreams. My future plans include pursuing my registered nursing education. I have a strong passion for nursing and love to help out people in need.

Once again, I offer my sincerest thanks for your generous support."

Amanda Barnes

STUDENT APPRECIATION

"Thank you for your generous SCC Educational Foundation Scholarship.

Growing up in a less-privileged home has not only created financial and academic challenges, but it has more importantly made me realize the value of a college education. Furthermore, as a homemaker transitioning into the business world, and single mother to four young girls, the importance of gaining my degree is enormous. I am working hard to maintain and improve upon my current academic record, and to strive to show my children the importance of being a contributing and forthright member of society. Without a doubt this award will prove to be extremely valuable for me and my family, by helping reduce the financial burdens of pursuing a degree in Business Administration. Upon my graduation I hope to be prepared to take the CPA exam. This scholarship will indeed further assist me in achieving my education and career goals and increase my chances of success."
Julie Heatwole

"I have dreamed of attending nursing school since I was a young girl. Since being selected as a recipient of the scholarship

from the SCC Educational Foundation, my dream is continuing to become a reality. I am glad to have the opportunity to thank you personally for your generosity. Without scholarship patrons (foundations)

there would be many students like me who would be unable to pursue the career they've dreamed of. My future plans include graduating with my associate degree of nursing and pursuing my Bachelor of Science degree in nursing. I ultimately would like to work toward being a neonatal intensive care nurse. I have a passion for helping people and love working with children. Once again I offer my sincerest thanks for your continued generosity to the SCC Educational Foundation. I am honored to have been selected as a recipient of this scholarship."
Hope Mahoney

"I would like to express my appreciation for your generosity in awarding me the NPPD Scholarship.

I am grateful for the opportunities this award will provide me since I rely on financial aid, grants and student loans to help finance my education. Before making the decision to return to school in January 2012, I was working full-time and barely making ends meet. I was paying a majority of my wages for daycare, which meant that I had to work extra hours just to pay the bills. This took away time for me to spend with my daughter to watch her grow and develop. This is when I realized that something had to change so that I can provide a better life for my daughter. I plan to graduate in fall 2013 with an associate degree in Business Administration with an Accounting Focus. I plan to pursue my Bachelor's Degree

from UNL, working my way to my long-term goal of becoming a CPA. Once again, thank you for helping me achieve my educational and career goals."

Kayla A. Ueding

"Thank you so much for the Kimmel Foundation Scholarship. It is a big honor. As a single mom on my last year of college it

means so much to me for the help you have provided me. I used to work at the Kimmel barn in Nebraska City when I was in high school, and I work for Pine Acres Nursery. I am in the Medical Laboratory Technology program at SCC and just finished my summer quarter with a 3.5 grade-point average, which is a big accomplishment for me as a single mother! I commute from Nebraska City every day and hope to work at the Nebraska City Hospital when I graduate. I start my clinical rotations next quarter and am very excited! I cannot tell you again how thankful I am for being awarded the Kimmel Foundation Scholarship."

Hillary Edwards

"Thank you for granting me the EducationQuest Foundation scholarship. I am very honored to have been chosen to receive this

scholarship. You will be happy to know that I am very dedicated to my studies and as of today, carry a 4.0 grade-point average in my program of study. I will work hard to maintain my position on the

Dean's List throughout my time at SCC and will not take for granted the assistance that you have given me. Once again, thank you, from the bottom of my heart, for this scholarship. It couldn't have come at a better time."

Kelly L. DuBray

"Thank you from the bottom of my heart for this scholarship. It couldn't have come at a better time."

"Thank you for giving me a \$500 scholarship and providing me with some financial assistance. This means a lot to me because without this the expense would be too hard for me. My current financial situation is somewhat overwhelming. With work and school, sometimes I just want to quit my job so I can just focus on school. But I know if I do that I would be homeless and wouldn't be able to provide for my family. This assistance will go a long way in meeting some of my financial needs."
Crystal Cole

College President

*A*s I reflect back on my career as president of Southeast Community College, I can't help but think about the countless number of students who have received a scholarship from the SCC Educational Foundation.

It numbers in the thousands. Tens of thousands.

Think about that for a moment. Think about the number of lives the Foundation has changed throughout the years. Think about the number of dreams it has helped come true. Think about the impact it has had on Nebraska, "The Good Life."

Each year I have the opportunity to listen to students tell stories about how a scholarship from the SCC Educational Foundation made a positive impact on their lives. If it weren't for the scholarship, including the Learn to Dream Scholarship, many would not be able to attend college. These stories and so many others like them make me proud to have been associated with such an amazing program.

I am grateful beyond words for the way Nelnet and Union Bank & Trust have stepped up and invested so much in the Learn to Dream Scholarship program. The scholarship, now in its sixth year, has proven to be quite successful. More and more quantifiable data is emerging from the program, whose participating students continue to make solid academic progress.

I am grateful for the hundreds of people who have dug deep into their own pockets to either create a new scholarship or help sustain an existing one through the Foundation. People have many choices available to them when it comes to charitable giving. To include SCC's Educational Foundation in the mix is truly humbling.

Most of us, at some point in our lives, needed a little financial assistance to help us realize our goal to become a college graduate. A college education is a large investment, but it doesn't have to be out of reach. The SCC Educational Foundation has given students hope for a better future.

If you have contributed financially to the Foundation, thank you. If you have not, please consider doing so. The impact your donation will have on an SCC student will be tremendous.

Dr. Jack Huck
SCC President

*We celebrate a belief

deserve the best
we have to offer.*

Jay Dunlap
SCC Educational
Foundation President

Foundation President Southeast Community College: The Best Choice

I realize that I'm probably preaching to the choir when I say that Southeast Community College is the best higher education value in the state of Nebraska and this entire region of the country.

I'm proud to be a member of the SCC Educational Foundation Board of Directors for many reasons, not the least of which is that the Foundation assists students in accomplishing their educational goals.

Let's face it. A college education is a sizeable investment regardless of the institution. But I believe SCC, with its 94-percent employment/continuing education rate among its latest graduates, produces fantastic results for the amount of investment.

Here's something to ponder:

A story that appeared in May 2013 on the CNNMoney website is a real eye-opener. Students in the Class of 2013 graduated with an average \$35,200 in college-related debt. That was according to a Fidelity survey of 750 college graduates. \$35,200! At nearly \$18,000 for the seven-quarter program, students would have to take SCC's Deere Construction & Forestry Equipment Tech program TWICE to reach that level of college debt. One wouldn't, of course, but you get the picture.

The story said that the bulk of the students' debt is in government loans, with graduates owing an average of \$26,000. They also had an average of \$19,000 in private loans, \$18,000 in state loans, \$13,000 in personal and family loans and \$3,000 in credit card debt.

Here's what's interesting. After realizing the extent of their debt, 39 percent said they would have done things differently, such as saving earlier, more thoroughly researching financial aid or looking for ways to save more and spend less while at school. That's up from 25 percent in 2011. And a small group, or 12 percent of graduates, regretted their decisions entirely, saying their college education didn't justify the debt burden.

That, my friend, should be a wakeup call for prospective students and their parents. Isn't one of the top, if not the top, goals of a college degree to help one secure a good-paying job? I realize there's more to it than that, but in the simplest of terms, people pursue a college education so that they can obtain a certain lifestyle.

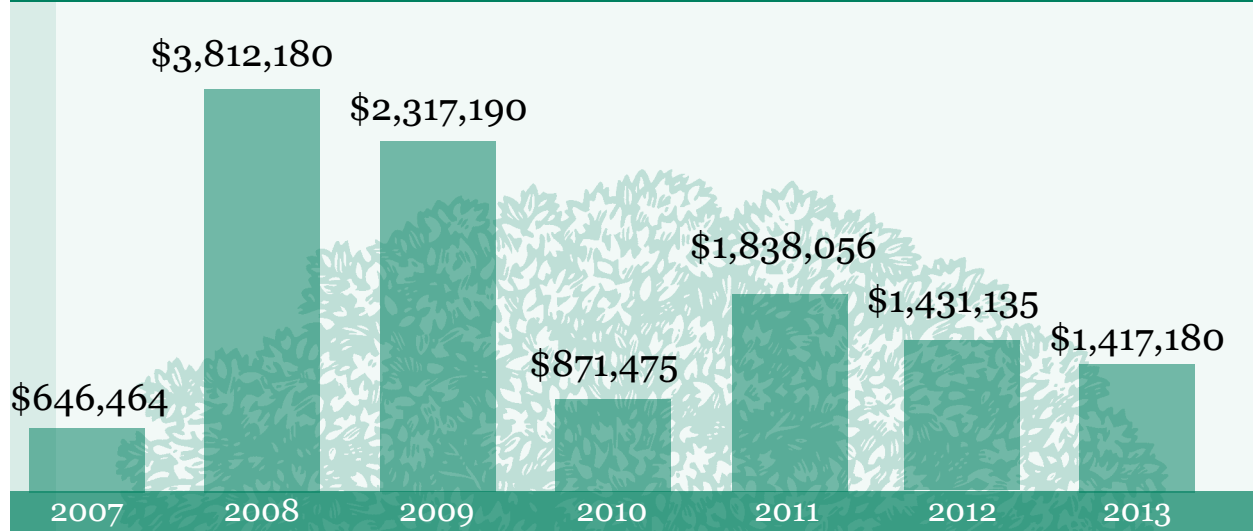

SCC is such a tremendous value. Do I sound like a broken record? Students from many of its 50 programs have jobs even before they graduate. And the number of job opportunities for SCC graduates seems to continually climb. What more could a student ask for?

Next to having God in your life there is no better way to change your life than education. Education allows you to grow into an economic, secure lifestyle that gives purpose to life. Not only does education give the individual a future, but it also gives to our country the educated workforce necessary for survival.

On behalf of the SCC Educational Foundation Board of Directors, thank you for considering a donation. It's an investment in your future, my future and the future of our emerging leaders.

SCHOLARSHIP AWARDS & CONTRIBUTIONS

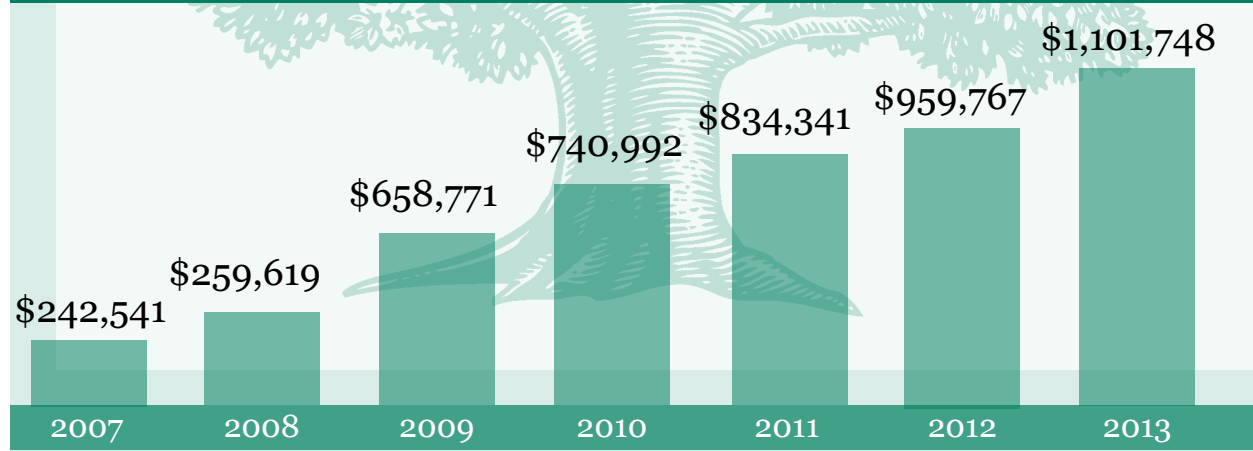

Scholarship Contributions

Contributions include: cash gifts or pledges; endowments; bequests by will or living trust distribution; retirement savings or insurance beneficiaries; real estate; stocks, bonds or securities; equipment and other property; matching gifts; charitable gift annuities; charitable remainder unitrusts; and charitable lead trusts.

2007-2012 shows specific dollar contributions to the Invest in the Best Campaign.

Scholarships Presented (does not include awards and other)

Summary of Assets

June 30, 2013

Cash	\$118,972
Investments	\$14,495,012
Pledges Receivable	\$347,406
Student Fees Receivable	\$24,977
Prepaid Expenses	\$5,162
Accrued Interest Receivable	\$29,469
Total Current Assets	\$15,020,998
Pledges Receivable (long term)	\$36,000
Property	\$758,562
Total Assets	\$15,815,560

Note: This summary does not include liabilities. The purpose of this summary is to show all assets the SCC Educational Foundation holds. These items represent end-of-the-year balances.

Ways to Invest

Friends of Southeast Community College have many options in supporting the College. Here are short explanations of various ways to give – along with tax benefits for the donor!

Gifts You Can Give Now

Cash Gift or Pledge

The most popular way to give is an immediate cash gift or a pledge paid over time. Both are convenient and tax deductible. Remember, no gift is too small – every dollar multiplies through the Foundation!

Endowments

An endowment is a hardworking, perpetual resource because the principle remains intact, and investment income is used to provide financial awards to students, faculty and the College. You can make contributions of any size to existing endowments or create a new endowment in your name or someone else's with a minimum gift of \$5,000.

Planning Your Gifts for the Future

Bequests by Will or Living Trust Distribution

It's easy to remember the Foundation in your will or Revocable Living Trust arrangements. Some donors specify a gift of cash, stocks, bonds, real estate, or personal property. Others prefer to give a percentage of their estate or the residual of the estate after gift bequests to family members. Arrangements should be made with an attorney to make a bequest to the Foundation.

Retirement Savings or Insurance Beneficiary

To name the Foundation as one of the beneficiaries of unneeded retirement funds, the donor should make arrangements through the retirement fund's administrator. Other ways to give include naming the Foundation a beneficiary of an insurance policy, assigning annual dividends, or donating a paid-up policy. These gifts are tax deductible, will not affect your current income, and may have the effect of reducing the size of your taxable estate.

Creative Ways for You to Give

Real Estate

Gifts of real estate, whether private, commercial or agricultural, may be given to the Foundation. If the value of the property has decreased, the donor may prefer to sell the property and donate the proceeds to the Foundation. Contact the Foundation office to discuss various options.

Stocks, Bonds, Securities

Here is a great way to give while avoiding a capital gains tax at the same time. Appreciated assets held for more than one year may be transferred to the Foundation and deducted at fair market value, up to 30 percent of your adjusted gross income, without incurring a capital gains tax.

Equipment and Other Property

The Foundation accepts equipment, art, books, vehicles and other personal property gifts that the College can either use or readily sell.

Matching Gifts

Tap this hidden benefit! Some employers match charitable donations given by their employees to qualified nonprofit organizations like the Foundation. Check with your employer for an often-overlooked opportunity to maximize your contribution.

Charitable Gift Annuities

A Charitable Gift Annuity is an excellent way to make a significant donation, get a tax deduction, and receive regular fixed income – some of which is tax-free – for the rest of your life! A donor can transfer gifts of cash, real estate, or appreciated securities worth \$10,000 or more to the Foundation to fund an annuity agreement.

Charitable Remainder Unitrusts

With a gift of \$50,000 or more, donors can establish a trust, ensure a lifetime income for themselves, and support Southeast Community College! As the value of the trust increases, so does the donor income. The donor receives a regular income from the trust, benefits through a tax deduction and may avoid or reduce capital gains tax.

Charitable Lead Trusts

For persons who don't need income from an asset but want to retain the asset, the Charitable Lead Trust allows a donor to establish a trust for a specific length of time, assign interest income to the Foundation, and later reclaim the asset for the donor or the beneficiary. The portion given to the Foundation is tax deductible.

Commodities Gift Program

This is for producers who wish to gift a quantity of corn, beans, wheat, etc. to the Foundation. Producers should always consult their own tax advisors regarding the tax consequences of making gifts of grain.

Many special scholarships and funds have been established through the SCC Educational Foundation. Some of them are in memory of individuals; others are funded by businesses, organizations and individuals. Listed here are the scholarship funds active through June 30, 2013. Space prevents listing all the individuals and groups who continue to donate to the established funds.
