		Philosophy course	3	PHIL 1010, 1060, 2130, or 2250			3

* See additional options for transfer classes using the equivalency tool at ucollege.edu/transfer.

**3 quarter credits from the following areas: academic fine art (art or music history, or music theory) or applied fine art (excluding music lessons).

NOTE: Bolded classes indicate prerequisites for the Union College Nursing Program and must be completed with at least a "C" grade. These requirements are in accordance with the current bulletin, and any changes are listed on the Union College website and in published addendums.

A fast track to a nursing career

Interested in a career in nursing? Completing a Bachelor of Science in Nursing degree at Union College will prepare you to take on the challenges and reap the rewards of a career in health care.

Union College offers:

- **Local clinical opportunities.** Complete all your clinical rotations in Lincoln starting your first semester in the program.
- **No waiting list.** We admit a new class every fall and spring, which means you can start nursing classes as soon as your prerequisites are complete.
- **Get a job right away.** Nearly all of our graduates pass their NCLEX-RN on the first try, and our strong relationships with many hospital systems mean our graduates are in demand around the country.
- **Small class sizes for individualized instruction** means you get more one-on-one time with professors.
- **Partnership for success.** Our nursing instructors want to partner with you to help you succeed. They will be by your side every step of the way.
- **The latest technology.** Our Nursing Simulation Center features male and female simulators. High-tech tools allow our students to practice real-life skills in a safe and comfortable environment.
- **Cultivate compassion.** At Union, we emphasize caring for the whole person. That's why our students participate in foot care clinics for the homeless and our Global Health Nursing class spends spring break providing medical care in remote areas of developing nations.
