Garden Photography

Sometimes the coolest subjects are literally right in our own backyards. Great images are mere steps away, or they're close enough to make the photo opportunity irresistible—that nearby arboretum, park or botanical garden, or your own backyard. Gather some tips for garden photography from our own photo pro John Keller.

The first class will meet at the Jack J. Huck Continuing Education Center and the rest of the classes will meet at the Sunken Gardens.

For your convenience, we are offering LIVE Online learning opportunities. These classes are delivered live via Zoom. They are not prerecorded videos. This allows you, the student, to participate from the comfort of your home.

Grab your scrapping supplies and clear your calendar for uninterrupted creative recreation.

Registration includes 20 hours (Friday evening and all-day Saturday) of cropping at your own table, access to a computer for journaling and a chance to win multiple door prizes.

Scrapfest classes are optional. You will register and pay $10 per class (cash or check) the day of Scrapfest. We are busy designing fun class options. Please note: All meals are on your own.
