

How to Become a Reading Tutor for Elementary Age Children  Reading

Reading is the basis for learning and school success. While reading is learned primarily in the classroom, many students need extra time and help.

Join other adults who want to become reading tutors for Kindergarten through fifth grade students. Learn practical, easy-to-use methods for helping students who are struggling with reading. Discover successful techniques that help students learn or regain literacy skills, review structured lesson plans and learn how to measure student progress.

Participants will spend five hours working one-on-one with kindergarten through fifth grade students during class to practice techniques learned. (Feel free to bring a sack dinner.) There is a \$35 fee associated with this course for tutoring materials payable at the first class. NOTE: No class Feb. 20.

Feb. 13-Mar. 5 M, Th 5-9 p.m. \$160

Nature Writing  Writing

Explore your creative side through writing about nature! Nature writing can be accomplished in a variety of forms, such as an essay, a non-fiction article using scientific facts or in a poem. This workshop will provide guidance and ideas to help us explore the many possibilities in and practice of writing about nature.

Please bring writing tools (paper, pen, laptop) and be willing to try guided nature writing exercises to help us get started. If we are lucky, we might discover something new to say about nature and ourselves!

Feb. 8 W 6:30-9 p.m. \$39
