Cruising for Beginners

Cruising

Cruising is one of the most popular and convenient options offered in the travel industry today! With more cruise ships sailing to more

incredible places all over the world than ever before, there has truly never been a better time to cruise! This is a class for novice cruisers. If you have thought about taking a cruise or are just curious to hear more, join us to learn about the ins and outs of cruising. The instructor, Dean O'Bryan has been on 10 cruises with five different cruise lines.
