Wedding Planning Certificate

The Wedding Planning Institute Certification teaches the basic fundamentals of planning, orchestrating and delivering social events in this online course. Whether you plan on working part-time, or a full-time career, this program will provide you with all of the tools necessary to start your business or begin working as a wedding/event planner for a local venue or area wedding business.

(4.0 CEUs) Online students have access to their instructor as often as they need, student message board, textbooks, as well as online resources. The program is based on 8-10 weeks of study, but can be done at your own pace up to six consecutive months. This class is open enrollment, send registration at any time. For more information, please contact nholman@southeast.edu. Visit the WPI Website at www.weddingplanninginstitute.com. Tuition is \$695.
