

LANGUAGES

NOTE: These classes are conversational in nature. These are non-credit and will not transfer to any credit program.

Beginning French

An introduction to conversational French. The course introduces speaking and listening skills using French culture, student interests and seasonal topics to develop conversation in the target language while incorporating basic grammatical concepts and vocabulary. In addition to the classroom instruction, students will have an opportunity for experiential learning in environments such as a restaurant, grocery store, bakery, etc.

Students can purchase the bilingual reference text for the class at the SCC Bookstore.
