Photography I

Whether it's film or digital, knowing the basics of photography will help you get the most from your camera. This beginning photography class covers exposure, metering modes, shutter speeds, F-stops, depth of field, lenses, flash and much more. This is an excellent class if you are considering a new camera.

Bring your camera to class. NOTE: Sec. LNUA: No class Sept. 6.

Sec. LNUB: No class Sept. 4.
