## Wood Shop

Looking to brush up on your techniques and learn a few new ones? Need a place to work on your wood projects? Then sign up for Wood Shop. You'll work with the instructor to develop and build your project while refining your woodworking skills. Please feel free to bring your plans, materials and safety glasses to the first class. If Thursday doesn't work for you, consider the Tuesday night class. Please contact us if you have any questions.

*Class is held at Schoo Middle School, 700 Penrose Dr.*

*Enter door #7 on north side of building.*
