

911

Reporting criminal actions or other campus emergencies

SCC students, visitors and employees should report **suspected criminal activity** or other **emergencies** at any SCC location to local law enforcement by dialing **911**.

SCC staff work directly with **local law enforcement** agencies to monitor SCC locations and activities in all three communities.

At each SCC location, physical plant maintenance staff combine measures to increase safety and security with all maintenance work done on College buildings and grounds. At the Beatrice location, security officers provide assistance and support to employees, students and visitors.

Maintenance and security staff routinely inspect all facilities and respond to reports of safety and security hazards and concerns. While they do not have the authority to make arrests, security staff maintain a close working relationship with local law enforcement to ensure proper and effective handling of suspected criminal activity or emergencies at all SCC locations.

Medical Emergencies on Campus

Southeast community college

Safety & Security

from the office of Student Services

Southeast Community College is a publicly funded institution of higher education with primary learning centers in Beatrice, Lincoln and Milford. SCC has more than 650 full-time faculty and staff and serves more than 35,000 students annually.

As a community college, SCC shares many of the same interests and concerns as the larger community of citizens it serves. A primary goal of the College is the safety and security of students, employees and visitors at all of our locations.

Through the years, SCC's campuses have experienced a very low crime rate. However, the College recognizes the potential for escalating crime and believes that preventive measures best ensure the safety of lives and the security of property.

CRIMINAL activity or EMERGENCIES

911

should be reported to local authorities

from any campus telephone

www.southeast.edu

Dear students, employees and visitors,

Southeast Community College serves 15 counties in southeast Nebraska, although our students come from homes throughout the country and the world. Our state is a safe place to live, attend college and work, and we will make every effort to maintain that record in the future. However, even in southeast Nebraska, we have witnessed an increase in crime and have learned we must be more careful to avoid dangers that didn't exist years ago.

The crime rates at Southeast Community College learning centers are very low, but one person who experiences a crime against property or person is one too many for us. We address safety and security at our locations through prevention, in the hope that we can protect students, employees and visitors from any crime BEFORE it happens. Students, employees and visitors also are encouraged, however, to be responsible for their own security and the security of others.

Please read this publication carefully. It includes campus crime statistics and preventive measures instituted by the College, along with College policies regarding drug and alcohol use and weapons possession. If you have questions about this information, please contact the Office of the Dean of Student Services at the Beatrice, Lincoln or Milford location. I would also welcome the opportunity to meet with any student, employee, parent, guardian, or visitor who wishes to discuss any safety or security issues with me.

Working together, Southeast Community College will continue to be a great, and safe, place to work and learn.

Sincerely,

Dr. Jack Huck, President

Disclosure of Campus Security Policy & Campus Crime Statistics

In accordance with the Crime Awareness and Campus Security Act of 1990 (20 U.S.C., section 1092), SCC provides information relating to crime statistics and policies governing security at SCC to prospective students and/or their parents or guardians, current students and employees. Anyone interested in accessing the SCC Crime Log information should contact the Dean of Student Services on his/her campus. Crime statistics for SCC locations, local jurisdictions, and other institutions nationwide can be found at www.ope.ed.gov/security

Firearms/Weapons Strictly Prohibited

Policy A-21: The possession, concealment or use of firearms, weapons, fireworks and explosive materials, or other dangerous instruments is prohibited in college-owned buildings, grounds, or vehicles, or at any location where a meeting, activity or athletics event is conducted, sponsored or sanctioned by the College.

Effective Jan. 1, 2007, Nebraska State Statute 28-1202 makes it unlawful to carry a concealed handgun into a meeting of the governing body of a political subdivision, or collegiate athletic event; school, school grounds, school-owned vehicle, or school-sponsored activity or athletic event.

These prohibitions apply to EVERYONE (employees, students, invitees, and visitors) and are enforceable EVERYWHERE (all College property and all College-related events.) *

Violations of these prohibitions will result in disciplinary and/or law enforcement action.

Drug and Alcohol Policy

Southeast Community College policy absolutely prohibits the unlawful possession, use or distribution of illicit drugs, controlled substances, and/or alcohol by students, employees and visitors on College property or at any College-related activity. SCC employees and students shall observe all state and federal laws and city ordinances governing the possession and use of alcoholic beverages, illicit drugs and controlled substances.

Staff, students or visitors suspected of being under the influence of drugs or alcohol while on campus or at a College-related activity may be requested to leave or may be reported to law enforcement officials.

SCC adheres to provisions of the Drug-Free Workplace Act and the Drug-Free Schools and Communities Act, and the enforcement of underage drinking laws. When warranted, the parents/guardians of students under age 21 may be notified of drug/alcohol violations occurring on campus or at College-related activities.

Sex Offenses

The College provides information and orientation to promote the awareness of sex offenses. **Students should immediately report all sex offenses** (e.g., rape, acquaintance rape, forcible/non-forcible sex) **to local law enforcement officials.**

For assistance in reporting sex offenses, students may contact the Dean of Student Services on each campus.

Assistance, information, and/or counseling is available through:

LINCOLN

• Rape/Spouse Abuse Crisis Line 402-475-7272

BEATRICE/MILFORD

• Blue Valley Crisis Intervention 800-876-6238

Sex Offender Registry

The Nebraska Sex Offender Registration Act (Neb. Rev. Statute 29-4001-29-4115) requires certain classes of sex offenders to register with local law enforcement officials. Registry information regarding Level 3 (high risk) offenders is published in local newspapers and also is available to the public on the Nebraska State Patrol's Web site:

www.nsp.state.ne.us

Should you have an interest in accessing registry information while on campus, computers are available in the Learning Resource Center at each SCC facility.

The Act also requires certain institutions, including colleges and universities, to monitor the presence of Level 2 (moderate risk) sex offenders at their facilities. SCC officials will routinely receive information regarding moderate-risk sex offenders residing in counties where our campuses are located. This information is not available to the public and will only be shared with designated staff responsible for monitoring activities on campus.

To report any persons, activities or behaviors you deem to be **suspicious or questionable**, please contact the **Dean of Student Services** or the Campus Administrator at your campus location.

(NOTE: Any criminal activity or emergencies should first be reported to local authorities by calling 911 from any campus telephone.)

Video Monitoring

SCC continues to install and enhance video monitoring at various locations within the College.

Other Services

Each SCC location provides students with ongoing practical safety and security information. **Orientation programs** focus on prevention of sexual assault, theft and other potential risks associated with college life. Information on drug and/or alcohol abuse also is provided as part of the orientation process. For more information, contact the Dean of Student Services Office at your location.

Escort Services

Any students or employees desiring to be **escorted to their vehicle** or **SCC residence hall** during the evening hours (**6-10 p.m.**) should contact:
