The total cost per quarter pertains only to Surgical Technology courses. General education courses (designated by * on curriculum list) will be taken at the community college in your area. The cost for the general education courses will be determined by the cost of tuition and fees of that college and the cost of the books.

To determine overall costs, students should plan a budget that includes the above expenses as well as room, meals, clothing, laundry, medical care, recreation and entertainment, transportation, insurance, etc.

Tuition is based on a Nebraska Resident rate of \$54 per credit hour and a fee of \$1.25 per credit hour. For out-of-state tuition costs, the rate is \$66.50 per credit hour with a fee of \$1.25 per credit hour.

Housing is available at the Milford and Beatrice campuses. Quarterly tuition, books and fees are dependent upon classes taken each quarter. All above options require an additional \$25 graduation fee.

The Board of Governors reserves the right to change any or all charges at any time.
