# Pathful explore

# The 6-12 College & Career **Readiness Platform**

Pathful Explore is a 6-12 College and Career Readiness Platform that uses a combination of interactive tools. assessments, and real-world exploration videos to help students adapt to the rapidly evolving world of work.

- Supports student exploration, preparation, and placement
- · Builds critical thinking skills
- Helps students expand their employability skill set with courses that award micro-credentials

# **Our Difference**

## **Best-in-Class Virtual Job Shadow Videos**

A growing library of almost 3,000 professionally produced job shadow and career advice videos gives students an authentic glimpse of what their future could be.

#### Featuring Virtual Job Shadows of:

## **Employability Skills Content** + Micro-Credentials

500+ Employability Skills Videos, FlexLessons, and FlexCourses help students build skills and earn micro-credentials. Micro-credentials can be added to resumes

and job applications to separate students from other candidates.

## **Our Impact**

**15M** Careers Explored through Video Views

# Pathful explore

Pathful Explore supports college and career exploration, preparation, and placement, while offering portfolios & robust reporting.

## Placement

## College App Management + Indeed Job Search

Common App and ETX integrations streamline the college application process – while students can search real job postings directly through Pathful Explore.

# Exploration

#### Interest, Value, and Aptitude Assessments

Students begin with interest, value, and aptitude assessments that guide the career exploration process and recommend potential careers.
