

ADN COURSE INFORMATION SHEET

GENERAL ADN COURSES

All support courses (those without NURS numbers) can be taken prior to admission to the program. Courses are listed in prerequisite order.

*NURS 1306 or NURS 1308 are open to all students who have completed course prerequisites.

All following support courses must be completed with a minimum grade of C+ (75%) for admission into the core ADN beginning with NURS 1206.

Quarter I

	credit hours
BIOS 1140 Human Anatomy w/ lab	6.0
BIOS 1110 Bio of Microorganisms w/ lab	6.0
MATH 1150 College Algebra	4.5
<i>(or higher – MATH 1180 Elementary Stats)</i>	

Quarter II

BIOS 2130 Human Physiology w/ lab	6.0
SOCI1010 Intro to Sociology	4.5
CHEM 1050 Chemistry & the Citizen w/ lab	6.0

You must submit a new application, completed self-advising sheet, and health statement once the above courses are complete. Check with the Admissions Office for quarterly turn in date.

The following courses are suggested to enhance success in the required coursework but are not required:

INFO1010 or BSAD Computer Literacy
MEDA1101/1102 Medical Terminology I & II
PSYC1250 Interpersonal Relations
PSYC1810 Introduction to Psychology

ADN NURSING CORE

Enrollment into the ADN Nursing Core curriculum starts in the third quarter. Students need to declare part-time or full-time track for the third quarter for the remaining sequence of the ADN program.

Attend mandatory ADN program orientation/registration.

Nursing core courses (NURS) require a C+ (2.5) and all support courses require a C+ (2.5) to progress.

FULL-TIME TRACK – Students register for all classes each quarter and earn satisfactory grades to progress to the next quarter. ***Course can be taken prior to NURS core.**

<u>Quarter III</u> (Winter/Summer)	credit hours
PSYC 2960 Life-span Human Develop.	4.5
FSDT 1350 Basic Nutrition	4.5
NURS 1206 Intro to Prof Nursing	2.0
ENGL 1010 Composition I	4.5
NURS 1207 Intro to Nursing Pharmacology	2.0

<u>Quarter IV</u> (Spring/Fall)	credit hours
NURS 1305 Nursing Concepts I	6.0
*NURS 1306 Pathophysiology	4.5
or	
*NURS 1308 Pathophysiology through the Lifespan	6.0
NURS 1307 Nursing Concepts II	3.0

<u>Quarter V</u> (Summer/Winter)	credit hours
NURS 2400 Assessment	4.5
NURS 2404 Nursing Concepts III	6.0
NURS 2403 Geront. Nursing Concepts	3.0

<u>Quarter VI</u> (Fall/Spring)	credit hours
NURS 2501 Childbearing Nursing	6.0
NURS 2502 Childrearing Nursing	6.0
SPCH 1090 Fundamentals of Human Communication	6.0
or	
SPCH 1110 Public Speaking	4.5
NURS 2503 Nursing Pharmacology	1.0

<u>Quarter VII</u> (Winter/Summer)	credit hours
NURS 2603 Nursing Concepts IV	6.5
NURS 2602 Mental Health	6.0
