

GENERAL EDUCATION REQUIREMENTS

Role/Mission of General Education - Students who earn a degree from Southeast Community College should exhibit both breadth and depth of knowledge. Therefore, SCC requires a General Education component in all degree programs. The goal is to provide all students, in both career and transfer curricula, a common, broad-based, well-rounded educational experience.

Every Program of Study requires students to take General Education classes as well as Program Core classes. To complete an **ASSOCIATE'S DEGREE**, whether it is of applied science, arts, science or occupational studies, a student must successfully complete a minimum of 22.5 quarter credits from general education requirements. **Students should contact the program advisor to select general education courses from each category area which will meet that program's graduation requirements.** Transfer students should also work closely with the school to which they plan to transfer.

The **Associate's degree*** requires at least one ***ORAL COMMUNICATION** and one ***WRITTEN COMMUNICATION** course, plus **ONE COURSE FROM THREE OF THE OTHER FIVE AREAS**. A Certificate program must complete one course from the core areas, and a Diploma program must complete one course in two core areas. One exception is the Professional Truck Driver Training Certificate.
