

Artificial Insemination in Cattle

This course is designed to provide instructional and practical experience to train participants in the basic skills necessary to successfully artificially inseminate cattle. Participants will receive one-on-one training and assistance. Class work will be held both indoors and outdoors.

Dress should be comfortable and appropriate for the situation—overshoes are recommended. Tuition includes a detailed AI Training Manual. Students will be required to assist in handling and restraining cattle for AI practice. Class size is limited to eight students, and pre-registration is required. Class will be held at SCC Agriculture Center, one mile south of the SCC Beatrice Campus on U.S. Highway 136.
