

# Energy & Money Saving for Home & Business

## Our Energy Future – The Challenge & Opportunities for Businesses & Organizations

Whether you are a large or small business or organization this workshop will help you understand the energy challenges we face and how to turn those challenges into opportunities. From global to local perspectives, the workshop will focus on solutions to these challenges and what resources are available. There will be plenty of opportunity for discussion as we begin to identify solutions specific to the participants businesses and organizations. Daniel J. Lawse, a Nationally Certified Home Energy Rater, will give you an unbiased look at how to prioritize energy saving improvements with an emphasis on the low-cost, easy-to-do improvements. In addition to the low cost improvements, other more expensive upgrades will be discussed. Lawse will provide you with tools to help you make decisions on where to start and how to complete many of the simple energy-saving projects.
