GRAPHIC DESIGN — TOOL/SUPPLY LIST

Students should purchase all kit supplies/books at the Milford Campus Bookstore on the first day of each quarter and as needed/required during the remaining quarters for assignments. The student who has current tools/supplies, may use them in their home studio, but still need to purchase a kit for teaching continuity.

All tools/supplies are ordered in a kit – students are responsible to keep the kit current during all 6 quarters. Supplies from the bookstore are on a limited basis due to store space. **Many supplies needing replacement must be purchased outside SCC.**

Each student uses paper and supplies purchased in the kit for 1st quarter differently. This list subject to change and prices are approximate.
