What is Adult Education?

Adult Education is a local, state, and national grant-funded program established to provide basic education skills to the student who is 16 years of age or older and not enrolled in school. DOs & DON’Ts When Volunteering in Adult Education Classes

**DOs**

1. DO ask the instructor what you can do to best assist in their teaching program.

2. DO be dependable.

3. DO be punctual.

4. DO dress appropriately. Be comfortable yet modest.

5. DO engage students in conversations to help them feel comfortable and open to learning.

6. DO circulate periodically and ask students how they are doing and maybe have them explain a section of the lesson they are doing.

7. DO answer all student questions in a respectful manner no matter how simple or trivial the answer seems, nor how many times it has been asked.

8. DO be yourself, use your own talents and enjoy the fruits of volunteering.

**DON’Ts**

1. DON’T use your own teaching sequences before you have checked with the instructor and understand how these sequences fit into the instructor’s program.

2. DON’T just show up to help on the days you have no other commitments.

3. DON’T show up 10, 15 or 20 minutes late for a class without informing the instructor. They are depending on you.

4. DON’T create distractions for the students with your choice of clothing.

5. DON’T use learning resources other than your instructor’s before checking with them to see if they are appropriate and readily available.

6. DON’T engage students in inappropriate conversation. If necessary, direct the student to the instructor if other avenues would be more helpful.

7. DON’T stay seated at the front of the room after telling the students to come to you if they have a question.

8. DON’T show your opinion (smile, chuckle, etc.) when the student asks a seemingly trivial question, maybe several times.

9. DON’T pretend to be someone you are not and thus become dissatisfied with your own effectiveness as a volunteer.
