Associate Degree Nursing Program Admission Checklist

We are committed to helping you achieve your goals! Follow the steps on this guide to apply for the Associate Degree Nursing Program. A review of your academic performance and the following requirements are utilized to score your admission placement in the program. **Priority acceptance given to students with ALL requirements completed by the end of the application period.**

- **Determine Program Option for Application:** This program offers courses in a full time or a part time option. See program website for additional information and option details. This program admits new full-time students and part time students every Fall and Spring semester.

- **Meet with Health Sciences Advisor:** Schedule an advising appointment with Erica Weedin to determine academic plan by emailing eweedin@southeast.edu.

- **Complete Placement Testing:** Submit test scores showing eligibility to take College Algebra. For details related to placement testing: [https://www.southeast.edu/nextgenerationaccuplacer/](https://www.southeast.edu/nextgenerationaccuplacer/) To schedule placement testing refer to: [https://www.southeast.edu/testingcenter/](https://www.southeast.edu/testingcenter/).

- **Complete Program General Education Requirements:** Students must receive a grade point average of 2.75 for the sciences and 2.5 general education courses for admission into the program. Submit official transcripts showing college coursework completed at a college/university other than SCC, to SCC Admissions Office 8800 O Street Lincoln, NE 68520.

  Students are eligible to apply for the program when registered for the **final term** of the following courses. **Priority acceptance given to student with all courses completed.** See college catalog for specific course requirements.

  - Human Anatomy with Lab
  - Human Physiology with Lab
  - Chemistry with Lab
  - Oral Communications
  - Written Communications
  - Nutrition for the Healthcare Provider—required for admission
  - Intro to Sociology or Diversity in Society
  - Pathophysiology Through the Lifespan

These courses may be taken prior to or while enrolled in the ADN program.

- **Complete Program Professional Awareness Activity:** HESI Admission Assessment (printed results). See program website for instructions and forms to submit.

- **Complete Digital Resume:** Using the following link, provide your experiences requested. Paper resumes are not accepted. Digital Resume: [https://tinyurl.com/SCC-Digital-Resume](https://tinyurl.com/SCC-Digital-Resume)
