

Business Administration Program

Catalog: July 2018 to June 2019

Winter 2019

WWW.SOUTHEAST.EDU/BUSINESSADMIN

SCC's Business Administration Program offers a variety of choices in which to study and earn an associate degree, diploma, or certificate. The associate of applied science degree in Business Administration emphasizes important business concepts and real-world applications. It is a great way to start or move up the ladder in a career in business. Students will have flexibility in choosing what to learn about since students are able to select many of their classes as business electives.

The Business Administration Program also offers certificates in Business Administration, Client Relations, Entrepreneurship, and Event-Venue Operations Management, which allow students the opportunity to get customized training for their individual needs by taking only six classes.

As the college moves toward a semester calendar, you should be assured that you will be able to complete your degree in a timely manner. A 4.5 quarter credit class is equivalent to a 3-credit semester class. The credit hours easily convert to semester, so you should not have problems when the switch occurs. You should still follow the sequence of classes listed for each term to better prepare for the more advanced classes and to help prevent class time conflicts. It is important that you check for special deadlines if you receive financial aid.

Lincoln
Campus

Most of the courses required for the Business Administration Program are offered every quarter/semester during the day, in the evening, and online. There are, however, some terms when classes may be only day or evening or online. Many courses are also offered as hybrid, which means the classes meet in the classroom and also require online participation. Always plan ahead and plan your schedule carefully, especially the last few terms before graduation.

TIPS FOR SUCCESS AT SCC

- Tuition and Fees:** Pay before the first day of the term. Important: Failure to attend classes does not constitute a drop or withdrawal; you must complete an official drop prior to the refund deadline to be eligible for a tuition refund! Go to www.southeast.edu/withdrawal-refunds-returns/ for more information.
- Financial Aid:** Visit the Financial Aid office for advice and assistance, especially before dropping classes.
- The Hub:** Go to <http://thehub.southeast.edu> as your online source to your school e-mail, registration, calendars, courses through Moodle, etc.
 - School e-mail:** SCC uses your school e-mail, which you easily access through The Hub, to send you all messages such as registration notifications, etc.
 - Moodle:** All SCC classes (online, hybrid, and traditional) use the course management software called Moodle, which you access through The Hub.
- Tutoring:** Find out about the free tutoring service for students in the Learning Resource Center (Room L1 at the 8800 O Street location).
- Future Registrations:** *Your BSAD program advisor is _____.*
- Before your registration date, plan your class schedule. If needed, get help from your advisor by e-mailing him/her or making an appointment to meet in person.
- On the opening registration date for a new term, use WebAdvisor through The Hub to sign up for your classes. Do not wait to register since classes fill quickly or may be canceled.
- Let your advisor know your schedule each term to prevent a delay in graduation!

The Bottom Line:

Read instructions, keep up with homework, and attend/access courses every day.

COURSE CHECKLIST: BUSINESS ADMINISTRATION ASSOCIATE OF APPLIED SCIENCE DEGREE

IMPORTANT: If you plan to get a BSAD certificate and/or BSAD diploma in addition to this degree, please let your advisor know so he/she can inform you about the graduation restrictions and help you plan accordingly!

Student: <input style="width: 90%;" type="text"/>	Advisor: <input style="width: 90%;" type="text"/>
Term Entered: <input style="width: 90%;" type="text"/>	Advisor's Phone/E-mail: <input style="width: 90%;" type="text"/>

All courses listed are required; a 2.0 GPA or higher is required for graduation.

Year: 2018–19 (Winter 2019)
Total Credits = 95.5 Qtr. or 64 Sem. Hours

Advisors: Refer to the Advisor's Competency Worksheet, test scores, and/or transfer credits to see if any competency courses below are needed.

Students—Transitions Lab Option: Before taking a competency class below, you can first sign up for the Transitions Lab course if needed.

The Transitions Lab (ABE0700) is a non-credit course to help refresh your skills with the goal of improving your test scores. A free placement exam is included as part of the class. The class is offered in the classroom or online and is approximately \$20. Call 402-437-2660 for more information or to find out how to register for the Transitions Lab!
