Dear Southeast Community College Housing Resident,

Welcome to Residence Life at Southeast Community College! It is our hope that your stay here will be an enjoyable living and learning experience.

This handbook amplifies and clarifies sections of the housing contract and student housing regulations. Should you require additional clarification or have further questions or concerns, please contact a Resident Assistant or any of the Residence Life Staff. Living on campus can be a very rewarding experience. As a resident, you will have easy access to various extracurricular activities planned throughout the year. Plus, making new friends is a lot easier when you live on campus.

The Residence Life Staff at Southeast Community College is committed to making your housing experience a comfortable and meaningful one. Thank you for your help and cooperation in making your community living experience positive and rewarding. We wish you success in your academic pursuits here at SCC.

Sincerely, Residence Life Staff

Residence Life Staff

Residence Life Manager

The Residence Life Manager (RLM) is a full-time professional who is responsible for managing the overall operation of the Residence Life Program. The Residence Life Manager is available to assist you with any housing-related concerns.

Assistant Residence Life Manager

The Assistant Residence Life Manager (ARLM) is a full-time professional who works closely with the RLM and shares responsibility for the day-to-day operations of the Residence Life Program. The ARLM supervises the Resident Assistant staff, coordinates programming activities and assists residents with their personal concerns.

Resident Assistants

Resident Assistants (RAs) are the members of the Residence Life Staff that students will probably get to know best. RAs are presented with unique opportunities for personal development. RAs receive special ongoing training in areas of peer advising and referral, interpersonal communication, programming, team building, community development and administration. RAs are individuals who are committed to making on-campus living a fun and rewarding experience. RAs have the authority and the obligation to maintain SCC's college and housing policies and to report any suspicious or out of the ordinary activity. RAs are assigned evenings and/or weekends to be "on-duty." In the evening, a resident's first resource is the on-duty RA. The RA position is a live-in position designed for residents who have the interest, skills and time necessary to perform assigned duties and assist in the development of the Residence Life Program.

Get Involved

Residence Hall Programming

Residence Life Staff provide weekly activities for students living in the residence halls. Activities provide residents with an opportunity to get to know more students from other programs, as well as something to do after studying. Some examples of programming activities are pool or ping pong tournaments, casino or game nights, outdoor games, ice cream socials, bonfires, swimming pool parties, slip'n'slide, bowling, movie nights, etc. Residents are encouraged to let their RAs know if there is an activity they would like to have!

Leadership Opportunities

Much of what one learns at college comes through informal and experiential means. Working with others to plan and present programs and activities can be challenging and fun. Residents are encouraged to participate by sharing ideas and assisting with the planning and development of these activities.

Student Employment

There are employment opportunities available to students living on campus. Students are hired to assist with facilities, custodial services and office administration. See the Financial Aid Office for available jobs.

Housing Contract

To make the most of a resident's on-campus housing experience, he/she will need to remember that cooperation with and consideration of others is essential. While it is important that one does not infringe upon another's rights (especially the right to study or sleep), it is equally important that one is assertive in protecting his/her own rights. The Residence Life Staff will enforce College and housing rules and policies, but in the area of interpersonal communication and conflict, their role is to help resolve conflicts, not to solve them.

Housing policy does not attempt to define every acceptable/unacceptable form of behavior. In situations, not covered by specific policies, residents are expected to use common sense and conduct themselves in a mature and responsible manner at all times.

By signing the Student Housing Contract, the resident agrees to abide by all Southeast Community College housing and campus policies, as well as all local, state and federal laws. Residents found to be in violation of any policy will be subject to Housing and/or College disciplinary action.

These policies have been established to protect a resident's rights as an individual and the rights of the student housing community as a whole.

Housing Contract "Terms of Contract"

1. **Parties:** This contract is made by and between Southeast Community College Residence Life and the student, referred to as Resident, signing the contract.

2. **Eligibility:** Any person who is enrolled as a full-time student (minimum 12 credit hours) at SCC may enter into this contract. Students with less than full-time standing will be considered on an individual basis. SCC does not currently provide housing for married couples or families on campus. (SCC-Beatrice has an off-site apartment complex for participants in the Parents of All Ages program—contact for more info). Any person required by the state of Nebraska to register as a sex offender is prohibited from residing, working or volunteering in any student residence facility. (Registered Sex Offenders on Campus, College Policy E-2j).

3. **Duration:**

- A. This contract is binding for one academic term.
- B. Residents staying in housing between terms will be charged for those break periods.
- C. SCC may immediately terminate this contract, upon the Resident's failure to make payments as required under this contract or for any other violations of the terms of this contract or any violation of the college or Residence Life rules and regulations.
- D. Term Breaks: An additional charge will be assessed to Residents who wish to stay over term breaks. Residents whose permanent home address is more than 1,000 miles one way from the College may stay in student housing during term breaks at no additional charge, with the exception of the break following the spring term (summer break).
- E. If the resident is a continuing enrolled student, Residents may leave personal belongings in their assigned room during break periods at no charge, although SCC is not responsible for loss, theft, or damage.
 - 1) Exception - all items must be moved out at check out of spring term. No items may be left in the room over summer break.
- F. If the Resident is approved to remain in the residence halls during any of the break periods, all policies and regulations as outlined in the Residence Life contract and the Residence Life Handbook will apply, and Residents will be held responsible for adhering to all such policies and regulations.

4. **Contract Cancellation:**

- A. Residents may cancel this contract prior to the beginning of the first term of occupancy. Written notice of the cancellation must be provided to the Residence Life Office according to the following terms:
 - 1) If written notice of cancellation of contract is provided to the Housing Office more than 20 business days prior to the start date of the term in which housing is requested, the full deposit will be refunded.
 - 2) **If written cancellation is provided to the Housing Office 20 business days or less prior to the start date of the term, the deposit will not be refunded.**
- B. All cancellations must be in writing to the Residence Life Office. Notice of cancellation to admissions, financial aid, business or registrar's office, or to other SCC offices does not constitute notice of cancellation of this contract to the Residence Life Office.

5. **Contract Release:**

- A. Residents can request release from contract during any academic term. Such releases are subject to the approval of the Residence Life Manager. Such releases will be considered for the following reasons:
 - 1) Non-admission, withdrawal, or graduation from SCC.
 - 2) Serious medical or health problems which interfere with Resident's ability to live in housing.
 - 3) Marriage during the contract term.
 - 4) Off-campus SCC programs, i.e., internships, co-ops, etc.
- B. Written documentation for all of these releases is required by the Residence Life Manager.

C. Release for the above reasons will include the following refunds:

- 1) First week (5 business days, not including Saturday and Sunday) of the term 80% will be refunded.
- 2) Second week (6-10 business days, not including Saturday and Sunday) of the term 60% will be refunded.
- 3) Third and Fourth week (11-20 business days, not including Saturday and Sunday) 40% will be refunded.
- 4) After the Fourth week there will be no refund of housing payments.

D. Upon approval of contract release, deposit will be refunded providing there is proper checkout and no housing damages.

E. Refunds, when applicable, will be credited to the resident's account.

F. No refunds will be made if a student is suspended/expelled from the residence hall due to disciplinary actions or leaves housing and remains enrolled at SCC.

6. Contract Assignment:

A. Roommate assignments are made on a non-discriminatory basis regardless of race, creed, or national origin.

B. The date that the contract and the deposit are received determines eligibility for assignments. Specific requests cannot be guaranteed. Roommate preferences must be mutually agreed upon on all roommate contract forms. If demand is sufficient, the Residence Life Office reserves the right to place additional students in a room.

C. Residents cannot transfer this contract. Residents may not sublet any part of the rental premises.

D. Contracts are not transferable from one academic year to another.

E. Residents are required to live in the room to which they have been assigned.

F. Students who fail to appear for occupancy by the first three days of class will forfeit their deposit and have the space assigned to another student unless notification is provided of intended late arrival.

7. Contract Payments: Room rates are established by the SCC Board of Governors and are available from the Housing Office. Housing rates do not include break periods or holidays when the housing facilities are closed. Contract payments are due and payable in accordance with College policy before the room is occupied. Failure to pay any incurred debts for contract rate changes, damages, fines, or any other assessed charges during the term of this contract will result in ineligibility of the student to process registration for subsequent terms and withholding of student records until all charges and fines are paid in full. Residents failing to pay costs within a reasonable time will have their accounts turned over to a collection agency.

8. Contract Signature: By signing this contract, the Resident agrees to abide by all policies found in both the Southeast Community College Student Handbook and the Residence Life Handbook.

9. Amendment: The College reserves the right to amend this contract as needed. All amendments will be posted prior to enforcement and will have the prior approval of the Dean of Students and the Campus Director.

Community Living

Housing Assignment Procedures & Policies

Housing assignments are made on a first-come, first-served basis at the discretion of the Residence Life Manager (based on date that both the housing contract and deposit are received). While every attempt is made to assign students to their preferred assignments, this is not always possible. Roommate assignments are made on a non-discriminatory basis. The date that the contract and the deposit are received determines eligibility for assignments. Specific requests cannot be guaranteed. Roommate preferences must be mutually agreed upon and indicated on all roommate contract forms. Housing priority is given to students attending classes on the campus and to those returning to housing in a successive term. If demand is sufficient, the Residence Life Office reserves the right to fill rooms to capacity. The Residence Life Office reserves the right to move a resident to another hall or to cancel a resident's contract if the resident does not adhere to SCC Housing policies.

Check-In

Check-in is always the day before classes start at the beginning of the quarter. Residents receive their student ID and room key when they check into housing with the Residence Life Manager and/or Assistant Residence Life Manager.

Sharing an Apartment/Room

Sharing an apartment/room in a community can be a very positive and enjoyable experience. Such an arrangement can also create stress and difficulty if not approached with consideration, communication and willingness to compromise. It is important for all roommates to have a discussion about how to divide responsibilities and share a living space. The questions found in the community and personal property section, and the housekeeping section can help examine the different ways roommates approach issues and give an opportunity to develop methods for resolving differences before conflicts arise.

Community & Personal Property

An area of concern among many roommates is the issue of property, including community property (property that can be used by any roommate) and personal property (those “off limits” items). In a group discussion, each roommate should answer the following questions regarding personal property. Typical responses may be “yes,” “no,” “yes, but ask first,” “yes as long as he/she/they replace(s) it,” or “yes as long as he/she/they take(s) responsibility for it.” Can my roommate(s) use my:

- Stereo?
- Television?
- Food?
- Clothing?
- Kitchen utensils?
- Personal computer?
- DVDs/DVD player?
- Video game systems?
- Tools?

Roommate Rights & Responsibilities

As a member of Southeast Community College’s Residence Life communities, residents have the following rights and responsibilities. Conversely, each individual should work to be the type of roommate who helps ensure these rights.

- The right to read and study in one’s room free from disturbances.
- The right to sleep without undue disturbances.
- The right to be treated with respect and civility at all times.
- The right to expect a sense of privacy in one’s own apartment/room.
- The right to a safe and secure home.
- The right to be free from fear of intimidation, physical harm and/or emotional distress.
- The right to have a clean room and the responsibility to share equally in the work to keep the room clean.
- The responsibility to respect his/her roommate’s rights and personal belongings.
- The responsibility to host guests in a manner that does not interfere with the rights of one’s roommates and other community members.
- The responsibility to complete and honor a roommate agreement.
- The right and responsibility to speak out when one believes his/her rights have been violated.
- The right and responsibility to seek the assistance of others to resolve conflict when individual action has not been successful.

These rights and responsibilities apply not only to roommates but also to other residents living on the floor/wing and in the residence hall.

Housekeeping

Try to reach an understanding about the type of environment that each person would like at home. Each person may end up with differing ideas on this topic, and if so, it is time to give thought to a compromise. When sharing a living space with another person or persons, it is important to consider their needs as well as your own. Your actions may directly affect your roommate(s). Some areas to consider may include, but are not limited to, personal hygiene and general cleanliness. Residents should decide on a plan for maintaining the apartment/room, such as a cleaning schedule. Discuss the following areas:

Kitchen:

- Dishes
- Stove/Oven
- Trash
- Microwave
- Sink/Counters
- Refrigerator

Living Room:

- Personal Belongings
- Vacuuming/Sweeping
- Dusting
- Regular Trash Removal

Bedroom:

- Vacuuming/Sweeping
- Regular Trash Removal
- Personal Belongings
- Dirty Clothes

Bathroom:

- Bathtub/Shower
- Sinks/Mirror
- Floors
- Toilet
- Trash

Cleaning Requirements

It is the collective responsibility of all roommates to keep the apartment/room clean at all times. Residents are expected to maintain their apartments/rooms in a clean and sanitary condition throughout the occupancy period. Appliances must be maintained in a clean and safe condition. Cleaning supplies can be checked out from the Residence Life Office. PLEASE NOTE: Removing waste materials regularly, maintaining reasonable sanitation and safety standards, and storing food properly will help prevent the invasion of pests and rodents. Personal items left in the public areas will be discarded.

Garbage

Apartment/room trash and garbage should be bagged and placed in the dumpsters located adjacent to the residence halls. At no time should trash or garbage be placed outside apartment/room doors, in walkways or on balconies.

Storing food properly, removing waste materials regularly, and maintaining reasonable sanitation and safety standards will help prevent the invasion of pests and rodents. A health code violation will be assessed to residents who leave their garbage in the common areas and hallways of the residence halls or who do not regularly take their garbage to the dumpsters. Littering of any kind is prohibited. If seen, disciplinary action will be taken.

Health Code

If residents fail to maintain sanitary conditions, (which include being unprepared for room checks conducted by the Residence Life Staff), a fine will be assessed for violation of the health code. Residents found in violation of health code will be given one warning and 24 hours to bring the room/apartment back to clean living standards. A health code inspection will be conducted 24 hours after the violation. If the room/apartment does not pass the inspection at this time, each of the residents will be assessed the health code violation fine and an additional fine each day until the room/apartment passes inspection. Residents may be evicted if the room/apartment has not passed inspection 14 days after the original warning.

Resolutions of Differences

If conflict arises, do not be afraid to deal with it right away. Generally, problems can be resolved quickly and easily if dealt with in a timely matter. Conflict signals a need for change. It forces participants to examine situations from other's viewpoints, acquire new information, and explore solutions. Learning how to resolve conflict helps roommates understand conflict and become better friends. There are many ways to resolve conflicts. It is important for each roommate to commit to taking responsibility for solving conflicts when they begin, instead of waiting until the situation becomes intolerable. Planning now will help the situation later. Remember, RAs are there to assist and will be glad to meet with residents individually or collectively. If the problem persists, the RA will make a referral to the appropriate Residence Life staff member.

Apartment/Room Changes

Changes from one apartment/room to another may be requested only after the first two weeks of each term and must be approved by the Residence Life Manager or Assistant Residence Life Manager. There will be a fee for all apartment/room transfers. The transfer fine may be waived for extraordinary reasons with approval of the Assistant Residence Life Manager or Residence Life Manager. If a resident wishes to transfer rooms, he/she must:

- Obtain approval from the RLM and ARLM.
- Complete the Room Change Request form.
- Schedule and complete an SCC Resident Housing Check-Out form.
- Check out of current room within the given timeline (an improper check-out will result in an improper check-out charge).
- Check into the new room and complete a new SCC Resident Housing Check-In form.
- The transfer must be completed within 48 hours of the approval time, otherwise the resident will be charged a delay fine.

Residents who attempt a room or roommate change without following any part of the above procedure, will be in violation of this policy and subject to a fine.

Maintenance Repairs

Every effort has been made to ensure that a resident's room is clean and well maintained when he/she checks in. If there is a problem of a maintenance or custodial nature within the apartment/room, please notify a member of Residence Life Staff as soon as possible. It is the goal of the Residence Life Staff to respond to all maintenance requests in a thorough and timely manner. However, if a resident feels that a concern has not been appropriately responded to, he/she should contact his/her RA, the Assistant Residence Life Manager, or the Residence Life Manager. Residents are not permitted to attempt to make any repairs to college property. Southeast Community College accepts no liability for damage, injury or death that may occur if residents attempt to make repairs themselves.

Personal Property

The College, its officers, employees or agents assume no responsibility for the theft, damage, destruction, loss of money, valuables, or other personal property, regardless of the cause. This includes losses that occur in your apartment/room, storage closets, common areas, or on balconies/stairways. Residents should keep their apartment/room doors and windows locked at all times and report any losses to their RAs and/or the local authorities. Residents are encouraged to purchase personal property insurance (renter's insurance). A resident may also discuss with his/her parents or guardians the possibility of extending their homeowners' insurance to protect his/her belongings while he/she is in college. Residents are required to take all of their personal belongings with them when they move out of housing. Please see "Check-out Procedures" for the property removal policy.

College Property

College property may not be removed from the residence halls, from the common areas nor moved from room to room without the consent of the Residence Life Manager. A charge will be assessed for returning furniture to its proper location. Residents found removing furniture will be referred to the Residence Life Manager for theft of College property. Residents also will be billed for any damage caused while moving. In addition, the office of Residence Life reserves the right to search any College property.

Facility Misuse

Residents and their roommate(s) are responsible for the condition of their room and its contents and will be charged for any damages beyond normal wear and tear. The condition of the common areas (lounges, bathrooms, hallways, stairwells, and computer and study rooms) is also the responsibility of the floor and/ or building residents. Residents who damage or misuse any hall facility, including but not limited to any posters/billboards/decorations posted by Residence Life staff, will be responsible for the cost of repairs and may be subject to disciplinary action. Floor residents may also be held accountable for damages to the common areas should those responsible not come forward. In addition, cleanliness and sanitation are a necessity of community living. Residence Life provides clean common areas; residents are expected to maintain this condition.

Communication and Regroup

Residence Life staff may contact residents by cell phone, mail, email or posted notices about a variety of issues such as maintenance requests, plans for holiday breaks, safety issues, reminders, activity information, etc. Residence Life asks that residents respond in a timely manner. Residents are responsible for checking their SCC email and mailboxes frequently and reading posted notices. Any notices to a resident shall be deemed received by residents on the date delivered to the residents' units or mailboxes or the date notices are posted in the residence halls.

Every resident is automatically enrolled in Regroup. Regroup is an online notification system used by Southeast Community College to notify students via text and/or email about events such as school closings, weather warnings, and emergency situations. The cell number used for text messaging is the one listed in your student profile on WebAdvisor on The Hub. The email address is your SCC email address. To check the accuracy of your cell number, or to add a cell number and/or email address, go to <https://southeast.regroup.com/signup>. If you make a change in Regroup, also go to The Hub and make the same change to your student account. Students are also encouraged to download the "AlertMe" app associated with Regroup. This app allows communication via wireless internet if a student does not have a US phone, text messaging capabilities, or if cell service in the area is down.

Residence Life will also use the SCCNeb App to communicate about housing events. You must download the SCCNeb App to receive these announcements. This app is available via the Apple Store and Google Play Store.

Check-Out

At the end of each contract period or upon vacating the apartment/room, each resident is required to complete the check-out process for their campus outlined below:

Beatrice Campus Check-Out Process

- Schedule a check-out appointment with an RA by an appointed date and time.
- Appointments must be made when all roommates can be present.
- Make arrangements with all roommates for cleaning the apartment/room prior to your check-out.
- Remove all personal belongings from the apartment/room.
- Upon completion of your check-out, sign the check-out form and turn it in to the Residence Life Office.
- Return the apartment/room key to the Residence Life Office.

Milford Campus Check-Out Process

Each resident is required to check out and turn his/her keys in before he/she leaves at the end of each quarter. Each resident must have his/her room cleaned (swept, mopped, dusted, wiped down, and trash taken out) before the resident may check out. Cleaning supplies can be borrowed from the RA Office located on the second floor of Nebraska Hall. All rooms must be clean and ready for the RA to check by the posted deadline, the night before the last day of classes. Each resident will receive a Room Condition Approval Slip after his/her RA has assessed and approved the cleanliness of the room.

Each resident will only be permitted to check out at the end of the quarter if he/she presents the Residence Life Manager and Assistant with a Room Condition Approval Slip. There will be no exception. If the resident receives an Unsatisfactory Room Condition Slip instead of the Room Condition Approval Slip, he/she must make the appropriate arrangements to check out after 4:30 p.m. on the last day of classes.

All rooms with an open spot or that have been assigned a new roommate the following quarter are expected to prepare the room for the new roommate(s). Each new roommate will need a desk, chair, closet, and bed. These must be empty and clean. All of the current roommate(s)' belongings must be confined to their closet, desk and bed. All belongings other than a fridge or furniture must be off the floor. These rooms will be assessed by the Residence Life Manager and Assistant during the break. Any room found to be unsatisfactory for new occupants to move in will be cleaned by SCC Maintenance and Custodial Staff. Each resident of the room will be assessed an overall bedroom cleaning fine (found on the back of the Check-in and Check-out sheets).

Cleaning fines vary for the apartments. All items found on the floor will be moved to beds, closets, and desks. The College will dispose of anything that looks like trash or obviously should be disposed of, such as food. Maintenance and custodial staff will leave a notice in the room stating the room was cleaned by SCC. Southeast Community College assumes no liability for any resident's belongings. Ultimately, the Residence Halls are the property of the College, and the College is responsible for ensuring their upkeep.

Check-Out Procedure for residents returning to the same room after break:

- Close windows and shades/blinds
- Take out the trash
- Take all perishable food home
- Turn down the thermostat
- Turn off the lights in the room
- Turn off/unplug the alarm clock
- Check the mail
- Clean the room (you may be getting a new roommate)
- Lock the door
- Turn the apartment/room key in to RLM and/or ARLM

***All students who fail to turn their mailbox and apartment/room keys in will receive an improper check-out fine and be charged for each day of the break at the daily rate for Break Housing.

Check-Out Procedure for residents graduating, moving off campus or going on CO-OP, and for all students at the end of the Spring Quarter:

- Remove all personal belongings from the room
- Clean the room and take out the trash
- Check the mail
- Turn the thermostat to the low settings or 72 degrees, depending on which is applicable; do not turn it off
- Close windows and shades/blinds
- Turn off the lights in the room
- Lock the door
- Turn the apartment/room key in to Residence Life Manager
- Accompany a Residence Life Staff member to the apartment/room to document the condition of the apartment/room on the SCC Resident Housing Check-Out form. The SCC Resident Housing Check-Out form must be signed by both the resident and a Residence Life staff member, and turned in to the RLM/ARLM.

Residents failing to meet with a Residence Life Staff member at the scheduled time and/or failing to follow the proper check out procedures will be subject to an improper check-out charge, in addition to any damage and cleaning fines.

Personal Property Removal Policy

Possessions remaining in the apartments/rooms after the end of the contract period will be removed by staff, held and stored for 14 days. A Property Removal Fine will be charged and a certified letter will be sent to all occupants of the apartment/room. Belongings must be picked up by the student. If not claimed after 14 days from the date that the letter was mailed, SCC reserves the right to sell or dispose of the property. No belongings will be mailed.

Housing Over Quarter Breaks

Housing is available during fall, winter, and spring breaks for residents who would like to stay on campus. If a resident's permanent home address is more than 1,000 miles from campus, break housing is available free of charge. If a resident's permanent address is within 1,000 miles of campus, then a fee of \$15 per night will be assessed. An exception is for student athletes **required** to stay over break for practice or games or SCC student employees who are **required** to stay over break to perform the duties of their position. Residents who would like to stay for break housing must sign a Break Housing Contract in the office of Residence Life. By signing a break housing contract, residents agree to continue to follow all housing and college policies during the quarter break. Following the spring quarter, no classes will be held for a summer term in 2019. Students needing to stay over the break between the spring quarter and the fall semester will require special circumstances and permission of the Dean of Students.

Residents who have signed up for housing for the next academic term may leave their personal belongings in their room over a break. **This applies to all break periods with the exception of the break between spring quarter and fall semester.** The Office of Residence Life does not accept responsibility for lost, stolen, or damaged property.

Safety & Security Procedures

Missing Student Policy and Procedure

The Missing Student Notification Guidelines are established pursuant to Section 485 (j) of the Higher Education Opportunity Act of 2008, and apply only to SCC students who reside in on-campus housing at the Beatrice and Milford campuses. If anyone has reason to believe that a student who resides in on-campus housing (Beatrice/Milford) has been missing from campus for 24 hours, they are required to immediately report their concerns to the Campus Dean of Student Affairs at their location:

- Beatrice Campus Dean of Student Affairs: 402-228-8286
- Milford Campus Dean of Student Affairs: 402-761-8270

Law Enforcement Notification

The Dean of Students, or their designee, must immediately refer a missing student report to both the Campus Safety and Security Specialist and the local law enforcement having jurisdiction in the area.

- Beatrice Police Department 402-223-4080; Gage County Sheriff 402-223-5221
- Milford: Police Department 402-761-2772; Seward Country Sheriff 402-643-2359

Emergency Contact Notification

Once a law enforcement investigation determines that a student is missing, the Campus Dean of Student Affairs, in consultation with the SCC President or designee, will, within 24 hours of the determination, notify the Missing Person emergency contact(s) identified by the student. If the missing student is younger than 18 years of age and not an emancipated minor, the College will notify his/her custodial parent or guardian in addition to the emergency contact person identified by the student.

Student Designation of Contact Person

Each student residing in on-campus housing will be required to confidentially register with the College one or more individuals to be an emergency

contact strictly for “missing persons” purposes. This information will be accessible only to authorized campus officials and will not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation. Students have the option to opt out if they so choose.

Administrative Authority

The Vice President for Student Affairs or designee, is charged with the administrative responsibility and authority to develop, monitor and report on detailed procedures and activities designed to implement missing student notification requirements.

Fire Procedures

Minor fire: Able to put out with a fire extinguisher.

- Call 911 and remain calm.
- As much as it is safe to do so, use a fire extinguisher to put out the flame. Fire extinguishers are located in each building hallway.
- Call a Residence Life Staff member immediately.

Major Fire: Fire department needs to put out fire.

- Pull the nearest fire alarm and remain calm.
- Exit building through the fire exit or safest route, close apartment/room doors but do not lock them.
- When safely outside, call 911 and report the fire immediately.
- Each resident must proceed to his/her building/floor’s designated evacuation areas.
- Do not re-enter the building until Residence Life Staff says it is safe to go back inside (as cleared by fire department personnel).

Fire Alarms

When a fire alarm sounds or a staff member informs you to evacuate the building:

- Remain calm.
- Notify (wake up) any roommates and alert them of the situation.
- Close windows and turn on lights as you are able and close apartment/room doors (DO NOT lock doors) and exit the building.
- Each resident must proceed to his/her building/floor’s designated evacuation areas.
- Do not re-enter the building until Residence Life Staff says it is safe to go back inside (as cleared by fire department personnel).

Fire Drills, Education, and Evacuation Procedure

SCC Safety & Security staff in conjunction with Residence Life Staff will conduct quarterly fire drills in each residence hall. The Residence Life manager will keep documentation of each drill completed. Resident Assistants will orient their residents to the fire evacuation procedures and designated evacuation area(s). Signs in each building will indicate the evacuation area(s). RAs will knock on doors reminding residents to evacuate as they are exiting the building, but they are not expected to search rooms upon exiting. RAs in conjunction with the Residence Life Manager and Assistant Residence Life Manager will account for each of their residents to ensure everyone on site made it safely out of the building. If anyone is unaccounted for, the Fire Department will be notified of rooms numbers upon arrival.

NOTE: Failure to evacuate during an alarm will result in a fine and disciplinary action.

Scheduled, Unscheduled & Emergency Room Entry Conditions

SCC reserves the right to enter rooms in appropriate situations. These entries and searches are conducted for the purposes of student welfare and will be warranted for the following reasons:

Apartment/Room Checks

In an effort to ensure adequate upkeep of the apartments/rooms, the Residence Life Staff will conduct a walk-through inspection of each apartment/room on a regular basis. The walk-through allows staff the opportunity to provide roommates with feedback as to the condition of the apartment/room, and respond to cleaning, maintenance or safety concerns. Residents will be notified of cleaning and damage concerns or violations of housing regulations and the steps necessary for correcting any discrepancies. All discrepancies will be reassessed within 72 hours, or at the discretion of the Residence Life Manager/Assistant Residence Life Manager (within 24 hours for health code violations). If the apartment/room is not clean or residents have not prepared for the room check, a health code violation fine will be assessed to the offending residents. In addition, the Residence Life Staff also will do additional periodic health and safety inspections in an effort to assess the physical conditions of the rooms. A notice of at least 24 hours will be given for scheduled health and safety checks and maintenance assessments.

Dangerous Situations

If a situation threatens the health or safety of a resident and access is needed to ensure student welfare or building integrity, Residence Life Staff, Campus Administration, maintenance staff, and/or Safety and Security Staff may enter a room. Staff will announce themselves upon entry.

Disruptive Situations

If there is a situation which is causing disruption to the community, a member of the Residence Life Staff, Campus Administration and/or Safety and Security Staff may enter the room. An example of this would include an alarm clock which is going off in a room with no residents present. Staff will announce themselves upon entry.

Reasonable Suspicion of Policy Violations

If there is reasonable suspicion of a Residence Life or College policy violation, including but not limited to the use of illegal substances and/or alcohol, then the Residence Life Staff, Campus Administration and/or Safety and Security Staff will conduct search of a room and/or a resident's vehicle if it is parked on campus.

- If any policy violations are discovered by Southeast Community College Staff in the course of a room entry for the above stated reasons, appropriate action including disciplinary action and sanctions will be taken by the Residence Life Staff, Campus Administration, Safety and Security Staff and/or Law Enforcement.
- Before an entry and/or search of a room is made by Southeast Community College staff, the College staff will knock on the door and announce that they are entering. In an emergency situation, this may not be possible, but efforts will be made to make the students aware of the situation.

Maintenance Assessments

These assessments will be conducted by College personnel and will be done in an effort to gain knowledge of the overall physical conditions of the room at various times throughout the school year. Maintenance assessments are done throughout quarter and will be announced at least 24 hours in advance.

Maintenance Requests

If a maintenance request is made by either the residents of a room or a Residence Life Staff member, the maintenance workers will enter the room in order to make the necessary repairs. In this situation, maintenance staff will respond as quickly as possible and 24-hour notice will not be required.

Pre-arranged Tours

Some of the rooms are used for tours for prospective students. Although RA rooms are typically used for these tours, any resident may be asked to show his/her room for campus recruitment events or New Student Orientation.

TIPS Reporting

TIPS is an online reporting system used to securely and confidentially report accidents, injuries, and incidents that are suspicious, illegal, and/or concerning in nature within Southeast Community College. To access the TIPS reporting system, go to www.southeast.edu, and look for the TIPS logo at the bottom of the page. This is not an emergency reporting system. If this is an urgent matter, please immediately dial 911. Examples of incidents to report include, but are not limited to, alcohol abuse, drug abuse, harassment, theft, academic dishonesty, threat of violence, etc.

Building Safety & Security

24/7 Residence Hall Lockdown: The residence halls will be locked 24 hours a day, 7 days a week for the security of the residents.

- Residents must carry their ID cards with them at all times. Residents need it to gain access to the residence halls.
- DO NOT force the doors open by pulling on the doors. This damages the locking mechanism and is costly to repair. Anyone caught forcing a door open will be fined and also charged the cost of repair.
- DO NOT prop a door open for any reason.
- Those caught interfering with building doors or wing doors may be sanctioned, up to and/or including eviction from housing.

If your card does not work, please note the following:

- If the reader beeps but does not turn green, see the Residence Life Office.
- If the reader does not beep at all, the card is broken and the resident must get a new card (Assessment Office in Milford; Welcome Center in Beatrice). The ID card will be replaced for a charge.

Keys

Each resident's help and cooperation is necessary in creating a secure environment for all who reside in Southeast Community College student housing. Never leave doors unlocked or propped open, even when residents are in their apartment/room, and remember to close and lock all windows when residents are asleep or leave their apartment. This includes patio doors for units which have patios. In addition, it is a policy violation to allow another individual to use a resident's assigned keys. Southeast Community College keys may never be duplicated.

For safety and security reasons, the outside doors to the residence halls are on an automatic locking system and are locked at all times. In Hoover Hall, internal wing doors are locked at all times. A student's ID card will allow a resident to enter the buildings and the resident's wing when the doors are locked. Doors which are not properly latched will alert Campus Safety & Security, campus administration, and Residence Life staff.

Any individual not currently enrolled at Southeast Community College who illegally enters the Residence Halls will be referred to the local police department for appropriate charges, including trespassing. Be alert for the presence of strangers in the non-public areas of the residential halls. Report these persons to your Resident Assistant, the Assistant Residence Life Manager, Residence Life Manager, or Campus Security. Please utilize TIPS located on the HUB to report any incident or situation.

Those caught interfering with building doors or wing doors may be sanctioned up to and/or eviction from housing.

Lost keys pose a security risk. If an apartment/room key is lost, the resident will be charged to have the lock changed and new keys will be issued to

the resident and his/her roommates. Lost student ID cards and mailbox keys will be replaced for a fine. Each resident must report lost keys as soon as possible to the Residence Life Office. It is a misdemeanor to reproduce college keys. Unauthorized use of keys may lead to conviction.

Renter's Insurance

Southeast Community College insures the buildings on campus, but not the personal possessions of students residing on campus. Each resident is encouraged to contact their personal insurance company to check whether their family's current homeowner's insurance policy will cover their possessions in a college dormitory (some policies do). If not, residents are encouraged to purchase renter's insurance to cover their personal possessions in the event of fire, flood, theft, etc. SCC is not responsible for loss/damages to a resident's personal property on campus.

Severe Weather Procedures

Tornado Watch

A tornado watch is issued when weather conditions in the area are such that the formation of a tornado is possible. During a tornado watch, be alert for approaching storms.

In the event of a **tornado watch**, the Residence Life Manager (or designee) will contact and make sure all RAs are on alert and in their respective work areas. Upon notification of a severe weather watch, the RA on duty will notify all RAs that a "watch" is in effect. Residents will be encouraged to monitor the weather from their rooms using local TV weather coverage.

Tornado Warning

A tornado warning is issued when a tornado is approaching or has been sighted in the immediate area. Residents are alerted of a tornado warning via broadcast media and emergency tone, followed by specific weather information and civil defense sirens. SCC will also attempt to send out a Regroup message to all residents. During a tornado warning, seek shelter immediately.

In the event of a weather emergency, go to the first floor hallway of the residence hall. Close fire doors and stay out of central lounge areas. Bring your cell phone, flashlight, and a pillow or heavy blanket to cover your head and or body. Stay low. Wait for the all-clear sign from housing staff.

1. The Residence Life Manager is responsible for the safety of housing residents during severe inclement weather including tornadoes. The Assistant Residence Life Manager is responsible in addition to and in the absence of the manager. They have a primary active role in ensuring resident safety. The Dean of Students or other campus administrators will be called for consultation and assistance.
2. In the event of a warning, RAs (with a list of all residents and guests in hand) will proceed to each dorm room and notify each resident and guest of the need to proceed immediately to the appropriate shelter area. RAs (in consultation with room occupants) will note which residents are not home and thus not evacuated. As soon as the RA has finished the evacuation process, he/she will notify the Residence Life Manager (or designee) of any absent resident or guest.
3. All hallways have basic first aid kits, working flashlights, extra batteries and working battery-operated radios.
4. The Residence Life Manager and Assistant Residence Life Manager will each have weather radios and use them to monitor inclement weather. It is the manager and/or the assistant's responsibility to make sure that all residents and guests on campus are alerted to dangerous weather conditions.
5. If emergency weather conditions exist (i.e. a tornado warning in the area), then the Residence Life Manager and/or the Assistant should take a prominent lead role in moving people to secure areas.

Beatrice Tornado Shelter Procedures

Using the buddy system, each room and then hallway should account for all residents and guests. Before evacuating to hallways, the room should be checked for individuals who might have been left behind. Each room constitutes a set of buddies who will look out for each other.

Resident Assistants will keep a checklist of all residents and guests in their area and check to ensure each resident is accounted for. The Residence Life Manager will maintain contact with the RA via cell phone and take a verbal report from each RA regarding the status of the residents.

All occupants should proceed to the first-floor hallway of the building between the fire doors. **NO ONE SHOULD BE IN THE MAIN RECREATION AREA.** Fire doors should be closed. Residence halls have emergency lighting, and if residents or guests should become trapped in the hall, they should pull a fire alarm for assistance.

Milford Cornhusker Hall Tornado Shelter Procedures

During a weather emergency, all residents, guests and staff must proceed to the basement-floor lounge and study area. **NO ONE SHOULD BE ON THE SECOND MAIN ENTRY FLOOR OR IN THE STAIRWELL.**

Milford Nebraska Hall Tornado Shelter Procedures

During a weather emergency, all occupants must proceed to the lower-level hallway and bathroom. **NO ONE SHOULD BE IN THE MAIN LOUNGE AREA OR IN THE STAIRWELL.**

Milford Pioneer Hall Tornado Shelter Procedures

During a weather emergency, all residents and guests should proceed to the lower-level hallway and bathroom of Nebraska Hall. **NO ONE SHOULD BE IN PIONEER HALL.** If it is unsafe to proceed to Nebraska Hall, proceed to a lower level apartment. Sit in the hallway of the apartment under a mattress. For further instructions, contact the Pioneer Hall RA or RLM.

Unacceptable Behavior

Aggressive and/or Disruptive Behavior

Harassment of an individual or group on the basis of race, sex, color, creed, religion, age, national origin, disability, marital status, status with regards to public assistance, or sexual orientation has no place in a learning environment. In addition, violence has no place in a learning environment. Fighting, hazing, harassment or intimidation, whether verbal, physical, or sexual in nature of another individual will not be tolerated. Residents participating in aggressive and/or disruptive behavior, including bullying, physical, verbal, or sexual harassment, are in violation of Housing and College policies and could face possible termination of contract.

Examples of violations that can lead to contract revocation include, but are not limited to, bomb threats, the activation of false fire alarms, tampering with emergency equipment, or infliction/threat of bodily harm.

Harassment/Discrimination

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” – Title IX of the Education Amendments of 1972

Accordingly, harassment based on an individual's race, color, ethnicity, religion, sex, age, marital status, national origin, veteran status, sexual orientation, disability, or other factors prohibited by law is prohibited. The College will not tolerate harassment or retaliation in the workplace or educational environment whether committed by faculty, staff, or students, or by visitors to the College while they are on College property or at events conducted, sponsored or sanctioned by the College. Each member of the College community is responsible for fostering civility, for being familiar with this policy, and for refraining from conduct that violates this policy.

Prohibited discriminatory harassment is defined as conduct that is sufficiently severe, pervasive, and objectively offensive as to substantially disrupt or undermine a person's ability to participate in or to receive the benefits, services, or opportunities of the College, and/or has the effect of creating an intimidating, hostile, or offensive environment.

Housing Policy Guidelines

- Resident is in possession of other containers with alcohol residue inside (drinking glass, bottle of pop, flask, shot glasses, etc.)
- Resident is in possession of drink mixes intended to make alcoholic beverages (daiquiri mixes, long island ice tea mixes, etc.)

If alcohol or alcoholic containers are present in a room, all of the residents and SCC students found in the room are responsible for the policy violation, including fines, sanctions and housing probation. Law enforcement will be contacted when (1) alcohol is actively being consumed in a room occupied by or in the presence of minors, and (2) alcohol is found during a room search and is found to be in the possession of a minor. Local law enforcement may arrange for transportation to a detoxification facility for students who are under the influence.

As College employees, the Residence Life Staff is responsible for addressing any and all violations. Alcohol will be disposed of by Residence Life and/or Safety and Security Staff following contact with law enforcement. Incidents will be documented, and the student(s) will be subject to the appropriate sanctions. Eviction can result from such incidents, even if it is a first offense. Should Residence Life and/or Safety and Security Staff have concern that a student or residents are at risk medically as a result of an excessive ingestion of alcohol, emergency services will be contacted (911). These procedures also apply to guests of residents.

Neb. Rev. Stat. § 60-6,196 (2) (d) (Supp. 1999).

All students who violate Southeast Community College Student Code of Conduct regarding alcohol and drug use must complete both the ScreenU alcohol survey and the Choices curriculum and discuss it with the Dean of Students, the Residence Life Manager, or the Assistant Residence Life Manager on their home campus. This is considered a sanction and must be completed as a condition of disciplinary probation.

Controlled Substances

A controlled substance is defined as prescription medication that is not prescribed to the person in possession, illegal drugs, or any other type of material, compound, or substance that is considered to be restricted or controlled by local, state, and federal laws and statutes. This includes paraphernalia.

Residents are not permitted to possess controlled substances on any part of campus, including but not limited to inside residence halls or resident's vehicles. Possession or use of illegal drugs while on campus and/or being in a room where illegal drugs are present or in use is a violation of the Southeast Community College Student Code of Conduct, local, state, and federal law. Residents viewed to be under the influence will be subject to disciplinary action, fines, sanctions, probation, and/or eviction.

Local law enforcement will be contacted if a resident or residents are suspected to be in possession or under the influence of a controlled substance. Law enforcement may arrange for transportation to a detoxification facility. Should Residence Life staff have concern that a resident or residents are at risk medically as a result of an excessive ingestion of a controlled substance, emergency services will be contacted (911). These procedures also apply to guests of residents.

All students who violate Southeast Community College "Conduct Expectations" guidelines regarding use of controlled substances must complete 10 hours of community service and the ScreenU Marijuana/Prescription Drug survey and discuss it with the Dean of Students, the Residence Life Manager, or the Assistant Residence Life Manager on their home campus. This is considered a sanction and must be completed as a condition of disciplinary probation.

In addition, your student federal financial aid may be impacted by a drug conviction. For more information, see <https://studentaid.ed.gov/sa/eligibility/criminal-convictions#drug-convictions>.

Weapons & Explosives

Any device, instrument or item deemed to be a firearm or weapon by Southeast Community College's Firearms, Weapons and Dangerous Instruments Policy is **STRICTLY PROHIBITED**. In addition, the possession of replica firearms or weapons is prohibited. This includes but is not limited to ammunition, bows, sling shots, paint ball guns, airsoft guns, or any other similar devices. Flammable and/or toxic substances, explosives and fireworks are strictly prohibited from use or storage in the student housing complexes or student's vehicles. Knives with a blade measuring over

3 ½ inches long are not allowed on campus. Any resident found to be in possession of a firearm, weapon, explosive device or material will be subject to Southeast Community College's disciplinary procedures and may be subject to criminal charges through law enforcement.

Bomb threats, bomb making, and/or activation of explosive materials and/or devices constitute a felony offense under state and federal law and will be reported to law enforcement. The resident will be subject to disciplinary action and required to pay restitution to Southeast Community College for all direct and indirect expenses incurred through the resident's misconduct.

Fire Alarms & Emergency Equipment

Disciplinary action will be taken against anyone who falsely, intentionally or negligently tampers with or activates fire safety equipment. Fire safety equipment includes but is not limited to: smoke/heat detectors, sprinkler heads, fire extinguishers, pull stations, alarm panels, and exterior doors. Tampering with a smoke detector or other fire safety equipment will result in a fine. This includes draping or fastening anything to any facet of the sprinkler system. All campus residential units are equipped with fire sprinklers. Tampering with any facet of the sprinkler system, including the sprinkler heads, will result in a fine. Additional restitution may be incurred for damage or loss due to a resident's intentional or negligent actions. Tampering with fire safety equipment is a very serious offense and may be grounds for dismissal from student housing and possibly criminal charges.

Video Surveillance System

Each residence hall is equipped with video surveillance cameras in the public spaces. The video surveillance equipment aids in ensuring safety and security for residents and the Residence Life Staff. The video surveillance system assists in College and Housing Policy enforcement and monitors the residents' living environment. Any violation recorded by the video surveillance system will be considered for disciplinary action. Recordings of criminal behavior may be used to assist with any investigations involving law enforcement.

Tampering with any facet of the video surveillance equipment will result in aggressive disciplinary action. Disciplinary action may range from fines, eviction from the residence halls, suspension from Southeast Community College, and/or criminal action through law enforcement.

Noise/Quiet Hours

Every attempt is made to provide residents with an environment where you can sleep and study. As such, residents are expected to be courteous of others by monitoring their noise level and by responding politely when asked to be quiet. A resident's right to sleep and study takes precedence over someone else's desire to make a lot of noise. During quiet hours, noise is to be contained within resident apartment/rooms. If occupants can be heard outside their apartment/room, they are being too loud.

Residents are prohibited from operating any musical instruments, stereo, television, bouncing of balls, etc. at a volume or in a manner that disturbs others outside their apartment/room at any time of the day or night. Residents are required to take action to minimize noise when requested to do so by another resident or staff member.

The first step to be taken in response to a noise concern is to approach and talk with the individual making the noise and ask for their cooperation in quieting down. This is usually enough to get the problem resolved. If not, ask an RA for assistance in resolving the situation. Residents who continue to violate the noise policy will be subject to a policy violation fine, as well as disciplinary sanctions, which may include changing apartments/ rooms (a room change fine will be charged).

Quiet Hours

Sunday - Thursday 10:00 p.m. – 8:00 a.m.

Friday & Saturday Midnight – 9:00 a.m.

Residents who violate the noise policy will be subject to a policy violation fine, as well as disciplinary sanctions, which may include changing apartments/rooms (a transfer fine will be charged).

Snowball Fights and Water Fights

To protect the safety of residents and to preserve equipment in the facility, water fights and snowball fights are strictly forbidden. Water fights or the use of water in pranks is considered an act of vandalism and will be dealt with in the manner described for vandalism.

Tobacco/Vape

All Southeast Community College residence halls are tobacco-free. This includes the use of any tobacco product. **This also includes electronic cigarettes, personal vaporizers (vapes), or JUULs.** Designated smoking areas are located outside each residence hall. Residents and their guests must dispose of tobacco materials in the receptacles provided.

Chewing Tobacco

All residents who use chewing tobacco must chew **outside only**. The use of any tobacco product inside the residence halls is prohibited. Residents are to discard tobacco in the trash cans outside the residence halls or the dumpster. If a chewing tobacco "spit cup" is found in a resident's possession or his/her apartment/dorm room, he/she will be held accountable for a Tobacco Violation, resulting in a fine. Anyone caught spitting on the sidewalk or patios of the dorms will be subject to a fine.

Smoking/Vaping

The student apartment complex and residence halls are a smoke-free. Smoking is not permitted inside the buildings, halls, stairwells, patios, closets, or balconies. Smoking must only take place in the designated smoking areas outside each residence hall. Any person caught smoking in

residential housing, or in an area other than designated smoking areas, will be fined. A hookah is not allowed in apartment/dorm rooms at any time. If residents smoke tobacco with a hookah, the hookah must be kept in the resident's vehicle or off campus. Using cigarettes, cigars, and e-cigarettes (including vapes and JUULs) as well as vaping oils are prohibited in all apartment/dorm rooms. Storage of those items must be in the personal possession of the owner, not left out in public spaces. If tobacco/vaping products are found in the possession of those not of legal age, law enforcement will be contacted and those items will be turned over to law enforcement. If tobacco/vaping products are used or suspected to be used in the dorm buildings including closets, hallways, patios, decks, stairwells, or balconies, those items will be confiscated and the student will have to meet with either the Safety & Security Specialist or Dean of Students before those items are returned. If smoking/vaping products are suspected to have been used to smoke marijuana or other illegal substances, law enforcement will be contacted and those items will be confiscated and turned over to law enforcement.

Pets

Animals or pets are prohibited from being kept or harbored in the apartments and rooms. This also applies to the pets of any guest. Pets are not allowed to visit campus. Non-dangerous fish which live completely underwater are the only pets permitted in the halls. Fish must be kept in aquariums not exceeding one (1) gallon. No other pets are allowed. This includes, but is not limited to: cats, dogs, ducks, gerbils, snakes, birds, crabs, lobsters, lizards, spiders, turtles, etc. Any need for special cleaning service or fumigation due to damage caused by the pet shall be assessed to the residents of that apartment/room. Service animals for people with accommodations documented through the Student Support and Accommodations Resource Office are permitted.

Decorating

A resident's apartment/room will be his/her home for the next quarter. Creating a personal and comfortable atmosphere is essential. Decorating one's apartment/room is an opportunity for residents to express their creativity. The following are guidelines for decorating:

- No painting is permitted.
- No candle(s) or incense.
- Only reusable, non-adhesive putty or two-sided tape may be used to hang pictures or other wall hangings (no glue, nails, screws, tacks, clear tape, masking tape or Duct Tape).
- No decals may be affixed to any college property.
- No doors may be cut off to allow for rugs or carpet fit.
- No wallpaper or adhesive-backed shelf paper may be affixed to furnishings.
- No alcoholic beverage containers that held or were intended to hold alcoholic beverages (bottles, cans, mugs, shot glasses, boxes, labels, Crown Royal or other bags, etc.) may be maintained as a decorative display. Displaying empty alcoholic containers is considered a violation of the alcohol policy.
- No opened/empty beverage (pop, energy drinks, etc.) or tobacco containers may be maintained as a decorative display.
- No items may be affixed permanently.
- No dartboards.
- No offensive displays (nude posters, confederate flags, etc.). Displays which are indicative of bias, prejudice, or harassment will not be tolerated and are subject to removal by the College.

- No personal mattresses or water beds may be brought on campus. Beds and mattresses are provided by the college.
- College property cannot be used to support any political campaign or candidate. College property may not be used to support or oppose the candidacy of any person for political office, or to support or oppose any ballot question. As such, campaign signs, posters, or other propaganda is not allowed to be affixed to College property, including patios, balconies, or exterior-facing windows.

Guests and Visitors

Guest and Host Responsibility

Guests are defined as family members, friends, or other persons related to or affiliated in any way with the resident.

- The resident is responsible for informing all guests of residence hall policies.
- The resident is responsible for the behavior and actions of their guest(s), up to and including being charged for the policies their guests violate.
- All guests must have an escort, which means the host is responsible for escorting and being with the guests to and from the room, as well as any other areas in the building at all times.

Overnight Guests

Overnight guests are defined as guests who are on campus past midnight. Residents may have same-sex overnight guests in their room subject to the following limitations:

- Overnight guests are only allowed with the consent of the other roommates. Visitation or overnight guests of one roommate should not infringe on the rights or access of other roommates.
- Overnight guests are allowed to stay a maximum of two nights per quarter. Overnight guests (as opposed to regular visitors) are permitted the use of showers and sleeping facilities.

- Residence Life Staff reserve the right to require a guest to leave if Campus and/or Housing policies are violated or if complaints are received from members of the floor or hall community.
- Same-sex guests who are present on campus after midnight must go through the guest check-in process and must carry their registration as ID while on campus.
- In order to check guests in properly, the resident must stop by the RA office in Milford, located in Nebraska Hall, or the Housing Office in Beatrice, located in Washington Hall, and provide the following information: visitor name, hosting resident name and room number, make, model & license number of vehicle (if the visitor has parked on campus). If residents plan on having guests or visitors past midnight, guests must be checked in before midnight. Contact the RA(s) on duty. The RA cell phone number in Milford is 402-418-1315. In Beatrice, call the housing office at 402-228-8291 or the RA on duty's cell number. If the RAs on duty are on their rounds at this time, call the RA's cell phone or wait for them to return.
- Members of the opposite sex are not permitted to stay overnight in student housing. Those found violating this policy or found in a room with a member of the opposite sex after visiting hours regardless of room assignment, will be fined.

OPPOSITE SEX VISITING HOURS

Sunday – Thursday 8:00 a.m. – Midnight

Friday – Saturday 8:00 a.m. – 1:00 a.m.

Windows

Posters, flyers and decals displaying questionable or obscene matter may not be displayed on windows. Screens and blinds may not be removed at any time. For safety purposes, the maintenance staff is required to reinstall any screen that is removed and the occupants of the apartment/room will be charged. Windows and screens are considered to be part of a resident's room. Residents may not have their windows open if their blinds are not open. Blinds catch in the wind and must be open as far as the window is open to avoid damage. Any damage to either item will result in a charge being assessed to the occupants of the room. In addition, a charge will be assessed to any resident who enters and exits through his/her window, or removes the screen from his/her window. All windows need to be clear in the event of a fire evacuation. Furniture is not to block the windows.

Candles/Incense/Wax Warmers/Air Fresheners

Candles, candle warmers, hot plate wax warmers, non-Scentsy brand lightbulb wax warmers, plug-in type air fresheners and/or incense are not allowed within the residence hall apartments/rooms at any time (burned or non-burned). These items create a potential fire hazard. They also cause damage to the rooms and in some cases can cause an allergic reaction to individuals within the community. In addition, open flames of any sort are not allowed in the residence halls. A fine will be assessed for the violation of these policies. Repeated violations are grounds for more severe sanctions, up to and including contract termination. The Scentsy brand light bulb candle warmers are the only wax warmer type allowed in the residence halls. If melted wax spills become an issue, this privilege will be revoked. Please dispose of wax in trash cans after it has hardened. Never pour liquid wax down the sink or into the toilet. If wax is spilled, please report it as soon as possible so that the custodial staff can clean it.

Multiple Electrical Outlets

The only multiple outlet devices allowed are fused surge-protected power strips. Gang outlets, multi plugs and extension cords are prohibited.

Motorcycles, Scooters, Skateboarding, Bikes, and Hover Boards

Motorcycles, motor-driven vehicles, hover boards, bicycles, and electrical scooters are not allowed in apartments/rooms or storage rooms, on patios, balconies or walkways. The College allows the use of bicycles, skateboards, and scooters in a safe and courteous manner as a method of transportation on campus. Performing acrobatic maneuvers on bicycles, skateboards, rollerblades, or other like equipment is prohibited. The use of personal transportation devices are not allowed inside any College building or residence halls. Bicycles are to be locked on bike racks. Students found violating this rule or causing property damage will be subject to fines and replacement or repair costs and may find the device confiscated.

Babysitting

Babysitting of children or pets (other than fish) is not allowed under any circumstances in the residence halls.

Bicycles

For safety and security reasons, bicycles cannot be stored in rooms or apartments. Bicycles must be stored outside in the bicycle racks. Bicycles may be stored in the bicycle storage room (Milford). Contact a Residence Life Staff member for more details.

Immunizations

Although immunization records are not required to be submitted to SCC Residence Life, students are encouraged to confer with their medical provider to make sure all immunizations are current. In 2003, the State Legislature passed a law mandating all entering postsecondary students receive information regarding meningococcal disease, a rare infection with potentially devastating results. Students are strongly encouraged to be properly vaccinated against meningococcal disease prior to beginning college. SCC will provide students with information documenting the risks of the disease, vaccination information, and information on funding for vaccinations upon check-in. Students will be required to sign acknowledgment of receiving this information.

Concealment of Violations

Everyone living in the community has the responsibility to take some positive measures if a violation of any rule comes to their attention. Concealment of violations negatively affects the entire community and is itself a violation of Southeast Community College housing rules.

Housing Code of Conduct

1. A violation of the resident responsibilities, policy, or law occurs and is brought to the attention of a Residence Life Staff Member, a community member, Southeast Community College administration or local law authorities.
2. A Residence Life Staff member contacts the individuals involved in the incident, documents the circumstances, and submits the documentation to the Assistant Residence Life Manager or Residence Life Manager.
3. The Residence Life Manager or Assistant Residence Life Manager will read the documentation and determine if the incident warrants a discussion with the individual(s) involved, the result of which may be a determination that a violation occurred and a housing fine/sanction is warranted. Sanctions for lesser violations may be delivered by any Residence Life Staff. More severe sanctions might involve the Dean of Students. Sanctions are used as a means of holding students accountable for their behavior. These sanctions include, but are not limited to:
 - a. Inactive Sanctions
 - i. Warning: A verbal and/or written warning given to the resident indicating that his/her behavior is not acceptable and that subsequent infractions may result in further disciplinary action. A warning usually includes active sanctions which are determined by the Residence Life Staff. If the resident chooses not to complete the active sanctions by the deadline, the resident is then fined and placed on probation.
 - ii. Probation: A documented statement placed in the student's judicial file indicating that the student's behavior is serious enough to consider the status of the student within the housing community. Further violations or behavioral problems could result in termination of contract/eviction or referral to the Dean of Students. Probation can include educational active sanctions.
 - iii. Fines
 - iv. Termination of Contract/Eviction: Administrative action taken by the Residence Life Office to remove a student from housing. The student is no longer permitted to reside in any apartment/room. The student also is banned from being in or around the apartments/rooms during the eviction. Evicted students will have 72 hours to vacate their apartment/room. Any violations of the Residence Life Guidelines or any other law during this period may result in further disciplinary action or criminal prosecution.
 - b. Active Sanctions: These are educational sanctions. They require the student to accomplish a task, thus trying to create the opportunity to change their behavior, restore justice, and prevent a repeat violation.
 - i. Counseling
 - ii. Reflection Paper
 - iii. Program Attendance/Presenter
 - iv. Relocation
 - v. Restitution
 - vi. Open Letter to Community (submitted anonymously)
 - vii. Community Service Hours
 - viii. Behavioral Contract
4. The student appeal process for any housing sanction is defined in the SCC Student Code of Conduct policy.
