d. **Under the Registration section, select "Register for Sections"**

e. **Choose either Express Registration or Search and Register for Sections**

**Express Registration** (Choose "Express registration" ONLY if you know exact course information or the synonym. Skip to step # 6.)

If you know the course and section number or the synonym, you can use Express registration. Course and section numbers and synonyms can be obtained from the credit schedule. Be sure to enter the term.

**Search and Register for Sections** (Choose "Search and register for sections" if you DO NOT know the exact course and section number.) Enter the correct term and at least 1 variable about a class to search for a section - click submit. Leave course level blank.

f. This will produce a list of all the classes available given the variables you submitted. Click on the box in front of the class to **select the course - click submit**. Tip: online sections can be found by using a location of "web."

g. On the next screen, you will see a list of the courses you selected under Preferred Sections. Choose the **action** you want to perform from the drop down box in front of the class and **click submit** at the bottom of the page.

h. **When you have successfully registered for a section, you will see a screen** which confirms your request has been processed and all sections for which you are registered will be listed. When your schedule is final, click on "my schedule" at the bottom of the page and print your schedule.

#### ▷ Drop/Withdraw from a Credit Class

>To drop or withdraw from classes, you must submit an "Official Drop/Add Form For Credit Classes" to the Registration and Records Office

OR

>Drop the class using WebAdvisor on the Hub.

Failure to attend classes does not constitute a drop or withdrawal.

Students must submit an official drop form prior to the refund deadline to be eligible for a tuition refund. Failure to attend classes does not absolve the student of making complete payment for all tuition and fees associated with the student's registration.

#### ▷ Refund Policy for Credit Classes

If you decide to discontinue your studies at SCC, refunds are prorated according to the refund formula.

$$\frac{(\text{DROP DATE}) - (\text{COURSE START DATE})}{(\text{COURSE END DATE}) - (\text{COURSE START DATE})} = \% \text{ ELAPSED}$$

The drop date will be the date you provide an "Official Drop/Add Form" to the Registration & Records office or Drop the class online.

All days are included in the computation, including Saturdays, Sundays, holidays and week days. Students are entitled to a refund based on the Refund Table for Credit Classes.

#### Refund Table (FOR CREDIT CLASSES)

% elapsed	% of refund
0.000 - 12.499	100
12.5 and over	0

- Student activity fees are refundable only during the tuition refund period.
- Refunds are based on the date the Official Drop Form is submitted to the Registration and Records office.
- Refunds will not be granted after deadlines have passed.
- Refunds for classes cancelled by the College are automatically processed and do not require a drop form.
- Refund checks are mailed to the student's current address and usually take 3 to 4 weeks.
- Students who receive federal financial aid are subject to federal refund calculations.
- Students who register after the first class meeting and drop a course are subject to a refund based on the beginning dates of the course, not when they register.

Detailed information on tuition and refunds is published online in the SCC College Catalog.
