### NEW! Youth Anti-Bully & Anti-Abduction

Prerequisite: 6-11 years old

This course will prepare youth to deal with bullies in a non-violent manner and then transition into anti-abduction tactics. Students will learn life-saving skills, assertive verbal and non-verbal communication, and situational awareness in a fun, safe, and engaging environment. There will even be time to practice full-force techniques against an instructor donning protective gear.

Parents/guardians must sign a waiver prior to the start of class.

### NEW! Mini Barn Quilt Painting

It has been described as "The fastest growing grassroots public art movement in the United States and Canada." Learn about the Barn Quilt art movement by enrolling in this class, which is open to adults and youth (with adult supervision). Students will learn the skills needed to make Barn Quilts as they complete their own miniature 12-inch square barn quilt. And as an added bonus....you might have time to make a tiny matching one for your birdhouse!

There is a \$25 fee associated with this course payable in class. Check or cash only for supplies.

### NEW! Black Rocket Youth Camp: Bricks & Sticks Stop Animation

Four-day camp for youth 6-8 years of age. Take your stop motion movies to the next level. First, create a story with Stikbots, Legos, action figures or all three! Then watch your story come to life using special stop motion software that allows you to add special effects and go beyond the typical software on a mobile device.

Students will need to bring in figures, stickbots, legos from home, but all other equipment will be provided. Student-created films will be available on a password protected website to share with friends and family. Students will work in pairs or teams for most of the program.

### Black Rocket Youth Camp: Make Your First 3D Video Game

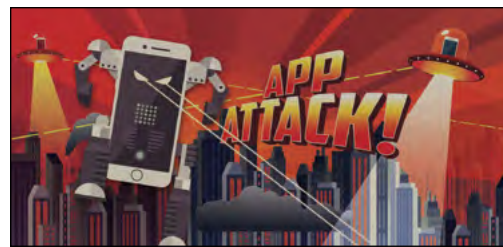

Four-day camp for youth 8-14 years of age. Try this new version of a Black Rocket classic! This class allows you to develop a game concept that goes well beyond the limitations of the traditional 2D game design classes. Students will learn the physics behind 3D games, explore beginner event scripting, level design, controlling flow of gameplay, and storytelling.

Student created games will be available on a password protected Black Rocket website to share with friends and family.
