NEW! Stand-Up Comedy Workshop

Learn how to develop material, create characters and leave the crowd laughing using your own voice. This course will teach you how to find your funny and have a great time while you're at it. By the end of the class, you will have a polished five-minute set. Also, you will have the opportunity to perform in a showcase.

Aubree is a nationally touring comedian. She spends her winters performing in clubs in southern California. Her summers are spent at home in Nebraska and the rest of the time she's on the road. Class will meet Thurs., April 25-June 13, and the showcase will take place Sat., June 15.

NEW! Film Appreciation

Lights, camera, action! If you're an aspiring cinephile, join us as we learn how to "read" a film. We will delve into cinematic visual literacy by understanding cinema's unique language, narrative structure and the many ways that a film can stimulate our thoughts and emotions. We will analyze a variety of scenes from throughout film history. Additionally, we will see if film truly is the "universal language" as we review examples of how other cultures and countries approach the medium.
