

# Ambulatory Nursing

## Balancing Time, Practice & Accountability in Clinics & Beyond

This highly interactive program explores scope and standards of practice scenarios within a variety of ambulatory settings, including the role of the nurse while working with a variety of providers and unlicensed assistive personnel. Ideas for managing the stresses of episodic care demands and time management within busy ambulatory settings will energize nurses working in these areas.

**Target Audience:** All nurses and nurse leaders working within ambulatory settings, including clinics, ambulatory surgery centers, urgent cares, and other unique settings.
