

The Secrets of Baby Behavior

Thursday, Oct. 3, 2019

8:30 a.m.-3:30 p.m. (Lunch provided) • \$79 • 5.5 contact hours
 Jack J. Huck Continuing Education Center, Second Floor Auditorium
 301 S. 68th St. Place, Lincoln, NE

Presented by Southeast Community College Continuing Education and Nebraska WIC Association (NEWA)

Baby behavior messages have been successful in improving infant-feeding practices by addressing common “trigger” behaviors for overfeeding, such as infant crying and waking.

Please join us for an exciting one-day conference to gain the skills and tools you need to better understand basics of normal infant development and behavior and to use research-based counseling techniques that successfully drive behavior change.

Target Audience: Nurses and other health care providers who work in doctors’ offices, head start, home health, public health, and postpartum

Objectives: Participants will be able to:

- Describe the relationship between infant behavior and inappropriate infant feeding practices
- Demonstrate practical knowledge of normal infant behavior, including infant states and cure sleep patterns and crying
- Deliver behavior messages/training to staff/parents

5.5 contact hours awarded to nurses. For other health care professionals, check with your licensing agencies to verify that this workshop will count as continuing education in your field.
Participants must attend the entire workshop to receive credit.
