Join us for this musical play about the lives of a pioneer woman and her six daughters as they deal with the challenges of living on the prairie: marriage, childbirth, spinsterhood, twisters, fire, illness, and death. The challenges become a collection of quilt blocks, with music, dance and drama added to each block. Quilters will linger in your mind and memory long after the last song is sung.

Under the direction of Dr. Jon Gruett, a joint production of Beatrice Area Arts Council and Southeast Community College is proud to present Quilters. Quilters opened on Broadway in 1984 for a short two-month run and was nominated for five Tony Awards, including Best Musical.
