Let's Make Photographs Instead of Taking Snapshots

Let's explore how we can take better pictures and help you become more creative with your photography. We will explore the different modes of your camera and how we might use them for different photographic opportunities. Whether you use a cell phone or a DSLR, let's learn to take those "wow" photographs instead of snapshots.

*Bring your camera and instruction manual. **Keyword: Photographs***

Welcome to Adobe Lightroom

Whether you're a seasoned photographer or just getting started, Lightroom is a tool you will want in your pocket. Come learn how to use Lightroom to organize and manipulate your photos in fun creative ways. From viewing, organizing and editing small to large numbers of digital photos, this software has you covered. The class will cover a basic introduction to using Lightroom through hands-on experience. You will follow along with the instructor to gain the most out of the experience on your own photos.

*Bring a couple of photos on your laptop, jump drive or SD card to use in class. Students must bring their own laptops and purchase their own Adobe Lightroom plan prior to the start of class. **Keyword: Adobe***
