### Social Security 101: Understanding This Retirement Benefit

Understanding Social Security is critical to a person's long-term financial well-being and retirement. This class provides an overview of Social Security and how it works, including eligibility and Primary Insurance Amount, filing options, the importance of timing (delayed retirement credits), and spousal benefits. Additionally, topic presentation discusses implications of working after a person begins collecting benefits, as well as other important considerations that can impact filing decisions. At end of discussion, participants should have a foundational knowledge of Social Security and how it works.

### Long Term Care Cost Planning

Learn more during this class about the differences among the type of long term care such as assisted living, nursing home, home health, and hospice care. Discussion will include what each type of care encompasses and approximate cost. How do people pay for this care today? Learn about insurance options available in the market and strategies used to help pay for care costs. This class will enable students to assess their individual risk of care needs, make cost estimates, and how to plan today to ensure they can pay for the care into the future.

### I Don't Need a Will, I'm Only 30

Why would I have one of those? That is something that only old people do. Life is crazy and time just goes so fast. Understand the importance of having a will, and yes, starting early. The class will cover topics including financial powers of attorney, health care powers of attorney and living wills. When it comes to guarding your assets and ensuring that your loved ones are taken care of, it is never too early.
