Pick the Right Medicare Drug Plan

Each year, Medicare drug plans make changes to the cost and coverage you can receive. Knowing what those changes are and where to get information on alternatives is important in ensuring you get the best price and drug coverage available to you.

The Nebraska Senior Health Insurance Information Program (SHIIP), a division of the Nebraska Department of Insurance, is pleased to host "Pick the Right Medicare Drug Plan." This class will cover many topics including plan changes, available resources and what to consider when comparing different options. Nebraska SHIIP will cover cost.

To register, please visit www.doi.ne.gov/shiip. For questions, please call 402-471-2841.
