Quilt in a Day...Really!

The log cabin design dates back to pioneer days and is one of the most popular quilting patterns. Each student may choose the size of the quilt they desire. We will be using a quick strip quilting process which can be used on other projects, and once again will allow us to make a "Quilt in a Day" a reality!

First Session (Fabric requirements— Tues., Oct. 8, from 6-8 p.m., Room 406) Prior to the actual sewing day we will have a short class on how to pick your fabric colors/ prints and how to use a rotary cutter/mat and ruler, all essential tools for quick and easy fabric cutting. If you have fabric scraps you would like to use, there will be suggestions for that, too. This session is where you will receive your cutting directions and have your questions answered.

Second Session (Sewing quilt top—Sat., Oct. 19, from 9 a.m.-4:30 p.m., Room 302) Bring to class: sewing machine, extension cord, basic sewing tools, rotary cutter/mat/ruler, brown bag lunch, and prepared fabric.

Third Session (Finishing: tying and binding— Sat., Oct. 26, from 9 a.m.-noon, Room 102) Learn how to tie and bind your quilt.
