

Radiologic Technology Program Admission Checklist

We are committed to helping you achieve your goals! Follow the steps on this guide to apply for the Radiologic Technology Program. A review of your academic performance and the following requirements are utilized to score your admission placement in the program. Priority acceptance given to students with all requirements completed.

- Determine Program Option for Application:** This program offers courses in a face to face and online format. This program admits new students every Fall Semester for face to face and online.
- Meet with Health Sciences Advisor:** Schedule an advising appointment to determine academic plan by calling 402-437-2260.
- Complete Program General Education Requirements:** Students must receive a grade point average of 2.75 for the sciences and 2.5 general education courses for admission into the program. Submit official transcripts showing college coursework completed at a college/university other than SCC, to SCC Admissions Office 8800 O Street Lincoln, NE 68520.

Students are eligible to apply for the program once following required courses are completed. See college catalog for specific course requirements.
