QI Strategies

- Comprehensive **professional development training on resiliency** for faculty, advisors, and student affairs staff who have significant and frequent interactions with new students
- Embed **engaged learning activities that promote resiliency** in courses that have the highest number of failing grades
- Utilize CRM Advise **analytics** to identify at-risk students and **target resiliency services**

Overall QI: <https://www.southeast.edu/quality-initiative/>

Progress to date:

- HLC Approval of the QI Proposal
- Regular planning meetings – strategy leads
- Emotional Intelligence workshops – Administrative Leadership group and Faculty in-service
- Further data analysis and work on data to evaluate project outcomes
- Curriculum Team recommendation of QI curriculum – EI 2.0/OnCourse
- Gathering resources, QI/EI best practices, and lessons learned
