The Power You Have, The Power You Give
If you have power of attorney for someone, or if you have given someone your power of attorney, do you fully understand what that means? Join us as we discuss the advantages/disadvantages of a financial power of attorney, health care power of attorney, living wills, advanced medical directives, guardianship, and conservatorship. This is important information to understand regardless of your age or life situation.

NOTE: Class is live-streamed from York.

DNA Tells a Story
Whether you’ve taken a DNA test or are considering one, DNA can help you with your genealogy when the paper trail ends. Learn more about how genetic genealogy can enhance traditional research methods, solve family mysteries and take you on the next steps in your genealogical journey. When a lack of records or uncertainty about ancestral lineage has you stumped, DNA always tells the truth. DNA testing is the tool that belongs in every genealogist’s toolkit.

Beginning Genealogy: Start Your Family History
Have you watched Finding Your Roots and wondered about your own family stories? This is the best time to trace your family tree. Bring what you know about your family to the first class and learn the basics. Discover how to organize, where to look for clues and how to find good information.
