E-2j            POLICY            Registered Sex Offenders on Campus

Any person required by the State of Nebraska, pursuant to Nebraska Statute, Article 40, Section 29-4001 through Section 29-4014, to register as a sex offender is hereby:

1. Prohibited from residing in any student residence facility owned and/or operated by Southeast Community College (hereinafter “the College”).
2. Prohibited from working or volunteering in any student residence facility owned and/or operated by the College,
3. Prohibited from working or volunteering in any child care facility/program owned and/or operated by the College, and
4. Required to register with the Dean of Student Services upon enrollment for each term for which they register to attend classes at any College facility.

The Vice President for Student Services, in consultation with the College President, is authorized to establish administrative processes, procedures and guidelines necessary and appropriate to implement the requirements identified in this policy.
