

E-1b PROCEDURE Coordinating Responsibilities

Under the general supervision of the President, the Vice President for Human Resources shall be assigned the responsibility of coordinating and implementing the human resources policies and services throughout the College. The President delegates to the Vice President the authority to appoint persons to serve on Advisory Teams related to Human Resources as he or she may determine. Such Team Members are to be informed as to the advisory role they are to fulfill in providing a resource to the programs of personnel administration.

Adopted Date: 07/15/1997
