One-on-One Voice Lessons
Students will learn the basics of vocal technique, style, expression, artistry, performance, and audition preparation through one-on-one apprentice-style vocal instruction. All levels of music-lovers are welcome to come and improve their singing skills. Styles include classical, sacred, musical theater, and pop. Music reading skills will be offered, if needed, to help with the essentials of musicianship.

Repertoire selection will be made by student and instructor together. Dr. Jon Gruett has more than 35 years of experience as an instructor in academia and professional music theater. After registration, a college representative will contact you to discuss your training needs. Training is scheduled at a time convenient for the student and instructor.
