Shutterfly Photo Book Memories

Learn how to master the free Internet website Shutterfly to design and create your own photo books and/or albums. Shutterfly has all the tools with easy options for editing, colors, backgrounds, and fonts for the beginner or creatively challenged. You will start a photo book and design in the first class and gain knowledge to work on your project outside of class. The final class will be spent getting one-on-one help and ordering your finished product.

Students need to log on and set up a Shutterfly account prior to first class. Bring to class: Shutterfly account username and password and 12-15 pictures on a flash drive. Basic computer knowledge and Internet skills are needed to be successful. Cost does not include the cost of your finished product.
