Decoupage Eggs
Learn a new and creative way to use eggs this spring. Students will decoupage colorful papers and napkins to blown out eggs and embellish them with fine glitters. Once you learn the art of decoupage, there is no limit to the things you can do. Register early for this fun and inspiring class.

There is a $10 fee associated with this course payable to the instructor in class. Cash or check only for supplies.

Quilling & Paper Filigree
This art form involves strips of paper that are rolled, shaped and glued together in decorative designs. It isn’t a new craft, in fact, it has been around for hundreds of years. It was originally developed as a means of imitating gold and silver filigree work. Our first class will cover how to create a variety of quilling shapes, drawing or choosing a design and preparing for a final project. The second session will explore embellishing your design and putting your work together for home decoration or gift giving.

Cost includes materials and use of tools for the first class. Additional supplies for the finished project will be available for purchase from the instructor. Supply fee will depend on size and in-depth finished project you want.
