Digital Photography 101
Students will learn the basic functions of a digital camera. Class covers types of digital cameras, megapixels, optical vs. digital zoom, digital storage media, battery types, cost/value comparisons, memory management, red-eye reduction, and application presets. Beginning photographers interested in digital cameras and how to use them will enjoy this class.

Students are encouraged to bring their digital cameras/software and docking station to class if they have them for one-on-one time to understand the specific functions of your particular camera and software.

Action Photography
Action and sports photography is challenging but very exciting. Discover how to set up your camera to capture sharp, detailed photos full of excitement and drama.

Bring your camera, a DSLR is best for action.
