Automotive

Spring 2020

Troubleshooting Automotive Electrical System
This course covers basic principles and applications of electronic circuits, electromagnetism, and the safe use of a Digital Multi-meter when measuring Volts, Amperes, and Ohms. Also covered is a circuit theory to understand Ohm’s Law for Series, Parallel, and Series Parallel circuits, as well as the Design, safe operation and testing of lead acid storage batteries. Troubleshooting electrical problems. Learn to read wiring schematics.

(0.6 CEUs) Training consists of three hours lecture and three hours lab. Safety glasses must be worn at all times by students while in the shop, and loose clothing and jewelry are not allowed in the shop.

Key: Automotive

Automotive Restoration & Collision Repair
This is a 15-hour open lab/shop course designed to teach the basics of dent repair, metal fabrication and the use of plastic fillers.

First-time students are required to complete safety/shop orientation at the first session. Goggles, earplugs and dust masks are required.

Key: Automotive

Registration Form - Non-Credit Course

Complete this form with payment information and send via mail to Southeast Community College, Continuing Education, 301 S. 68th St. Place, Lincoln, NE 68510 OR FAX to 402-437-2703

The College requests, but does not require, a student provide their Social Security number during the admissions process. Visit www.southeast.edu/collegecatalog for additional information.
Register Online for
SCC Continuing Education Classes

You must have an email account to register online.

2. **Search for your class** by entering either a **key word** in the title or the **course number**. Click **Submit**. (Enter information in only one field for broader results.)
   - Key Word Example: Driver
   - Course Number Example: TRAN-3398

3. **Select the course** for which you wish to register. Click **Submit**.

4. Enter your **personal information, certify your identification** and click **Submit**.
   * You must provide your Social Security Number.

5. **Optional**: Enter your **Additional Registration Information** and click **Submit**.

6. If you want to register for additional classes, select **Search for more classes** under “Choose one of the following.” If you are finished selecting the class(es) for which you want to register, select **Register now (check out)**. Select your **Payment Type**. Click **Submit**.

7. Enter your **payment information**. Click **Submit**.

You will see your **class acknowledgement** with information about your **SCC Student ID Number**, **SCC User ID** and **password**. You also will receive an email with this same information for your records.

In the future it will be easy to register by logging in using your SCC User ID and password and it will not be necessary to provide your Social Security number again.

If you have problems getting registered, please call 402-437-2700 or 800-828-0072 for assistance.

* The College requires a student's Social Security number as a condition for enrollment. A student's Social Security number information constitutes an "educational record" under FERPA.
