NEW! Tired of Cable TV, Dish or Direct TV? Cut the Cord!
If you’ve been thinking about changing how you watch TV, or just interested in a new option, this class is for you. We’ll look at all of the streaming services available to you to help you make a choice if you want to move to this new era of watching “TV” and other media content. We will cover Hulu Live, YouTubeTV, AppleTV+, Sony Vue, Netflix, and others.

Understanding Investing
It’s never too early (or late) to learn how to make your money work for you. Topics will include stocks, bonds, mutual funds, and the various types of accounts in which you can invest. If you want to learn more about investing and how you can use investments as a tool to reach your goals, this is your class.

Social Security 101: Understanding This Retirement Benefit
Understanding Social Security is critical to a person’s long-term financial well-being and retirement. This class provides an overview of Social Security and how it works, including eligibility and Primary Insurance Amount, filing options, the importance of timing (delayed retirement credits), and spousal benefits. Additionally, you’ll learn the implications of working after a person begins collecting benefits, as well as other important considerations that can impact filing decisions.

Extreme Retirement Planning
Learn how to determine when you can afford to quit working and what your sources of income will be in retirement. This practical course will emphasize planning for your future with hands-on, in-class assignments using real-life examples of life-after-work situations.

Taxes in Retirement
Understand the potential impact of the new tax and financial rules will have on your retirement income. If you are nearing retirement or are already retired, it may be possible for you to pay less in taxes on your hard-earned dollars. This class will equip you with the most up-to-date information regarding retirement taxation, including ways to efficiently use your income sources, whether they are Social Security, 401(k)/IRA, other sources or a combination of them all. Using information covered in class, you will have the tools that can help you develop a successful retirement tax strategy.

NEW! Long Term Care Cost Planning
What are the differences among the types of long term care such as assisted living, nursing home, home health, and hospice care? Discussion will include what each type of care encompasses and approximate cost. How do people pay for this care today? Learn about insurance options available in the market and strategies used to help pay for care costs. This class will enable students to assess their individual risk of care needs, make cost estimates, and how to plan today to ensure they can pay for care into the future.
