**Arts, Crafts & Hobbies**

Spring 2020

---

**Barn Quilt**

Barn quilts are no longer just for rural barns. Painted in bold and vivid colors you will see them in the city on garages, sheds and fences for all to see and love. Your instructor will have many of your favorite quilt block grids to choose. Best of all, no artistic talent needed! These are really neat!

You can choose either the popular 2-foot by 2-foot size or the larger 3-foot by 3-foot size. Bring to class: yellow FrogTape, scissors and a hair/blow dryer.

---

**Gourd Art**

Gourd art involves creating works of art using hard-shelled gourds as an art medium. Gourd surfaces may be carved, painted, sanded, burned, dyed and polished. We will create an array of art pieces, bowls, sculpture, or wall art (not birdhouses). Beginners to advanced students welcome.

Plan on additional supplies which will be discussed at the first class. Gourd costs vary depending on the size. However, plan to spend between $10 and $45 on your gourd. Bring to class: apron, dust mask (bring your own or purchase in class for $2). Cash or check only for supplies. Class will meet at instructor’s shop.

**NEW! Clay Animal Sculpture**

Discover the fundamentals of building sculptures out of clay with special emphasis on sculpting animals of your choice. More advanced students will have your own style and build upon your skills.

All clay, glazes, tools and firing provided. Students also have access to the studio during open hours throughout this four week class.

---

**Beginning Wood Carving**

Discover basic wood carving techniques and learn about the tools, woods and history associated with traditional carving. You will learn sharpening skills and painting techniques all while keeping safety as the top priority.

If you have never carved before, you will need a wood carving knife, mesh glove and apron. After registration, you will be sent an email with additional information regarding the three items listed above. If you have any wood carving tools, bring them along. There will be a fee payable to instructor in class for the wood blanks to carve on. Prices vary between $5-$30. Cash or check only for supplies. Class will meet at the instructor’s wood shop.

Quilt in a Day...Really!
The log cabin design dates back to pioneer days and is one of the most popular quilting patterns. Each student may choose the size of the quilt they desire. We will be using a quick-strip quilting process which can be used on other projects, and once again will allow us to make a “Quilt in a Day” a reality!

First Session (Fabric requirements—Tues., April 14, from 6-8 p.m., Room 403)
Prior to the actual sewing day we will have a short class on how to pick your fabric colors/prints and how to use a rotary cutter/mat and ruler, all essential tools for quick and easy fabric cutting. If you have fabric scraps you would like to use, there will be suggestions for that, too. This session is where you will receive your cutting directions and have your questions answered.

Second Session (Sewing quilt top—Sat., April 25, from 9 a.m.-4:30 p.m., Room 302)
Bring to class: sewing machine, extension cord, basic sewing tools, rotary cutter, ruler, and brown bag lunch, and prepared fabric.

Third Session (Finishing: tying and binding—Sat., May 2, from 9 a.m.-noon, Room 302)
Learn how to tie and bind your quilt.

Magic Ballz
Magic ballz...what fun! This crazy style is fun and easy to sew. Stress free pieceing is the name of the game. Fun round shapes, interesting borders make this quilt unique. These will be bright and cheery colors that will make you smile.

Kit purchased in class for the 57-inch by 57-inch quilt for $55. Cash or check only for supplies. Bring to class: sewing machine, extension cord, basic sewing supplies, rotary cutter, ruler, and mat.

Second Step Crochet
Knowing the basic single crochet isn’t enough to complete the beautiful patterns we see all around. Come learn to half double, double, and treble crochet. You will leave with a granny square, a coaster, and an understanding of crochet patterns so you can make even more projects.

Bring to class: an H or I crochet hook and two skeins of cotton yarn, (Sugar and Cream is one brand).

Introduction to Needlepoint
Needlepoint is one of the easiest decorative stitching skills you can learn. Join us for some fun and learn four basic stitches and two special-effect stitches.

Your kit will be waiting for you when you arrive at class. All you need to bring is a sharp scissors or thread snip.
