**Section #:** First two letters indicate the location code. Subsequent letters and numbers complete the section #. For example:

- Section EN09 is at the Entrepreneurship Center.
- Section HBEN1 is a Hybrid course at the Entrepreneurship Center and online.
- Section HBB1 is a Hybrid course on the Beatrice Campus and online.
- Section ES31 has a lecture and a lab at Education Square.
- Section WB01P is a Web-based class that requires proctor testing in person at an SCC-approved testing center.
- Section YK01 is at the Learning Center in York, Nebraska.

Prerequisite course must be taken prior to enrolling for this course. Corequisite course must be taken at the same time.

Students must drop the class by this date to receive a refund.

Building and location codes can be found on page 10.

- Classes are listed alphabetically BY PREFIX. Check the table of contents on page 2 to find the right prefix.
- On the title line, the name of the course/section appears along with any (P) prerequisites or (C) corequisites. Be sure you meet any course prerequisites. (You must provide written documentation to the Registration and Records Office any prerequisites completed at another college - i.e. grade report, transcript, etc.)
- Subsequent lines show the synonym, course number and section number. Location codes are part of the section number. The synonym is used for online registration. When registering, write the entire course/section number on your registration form. Be sure the number you list matches the time you want to take the course. When selecting a lab, you must also register for a corresponding lecture. Course numbers with an "L" are Labs. Have alternate courses ready in case sections you have chosen are not available.
- The name of the instructor follows the course number/section.
- Building and Room numbers may be referenced found on the campus maps and direction pages online ([www.southeast.edu/mapsanddirections](http://www.southeast.edu/mapsanddirections)).
- This is followed by day designations when class meets which are: M = Monday, T = Tuesday, W = Wednesday, R = Thursday, F = Friday, S = Saturday, U = Sunday
- The beginning and ending times are shown next. If there are no times listed, the course is "by arrangement." See the instructor for information. When registering, be careful you have no class conflicts.
- Beginning and ending dates are given. End dates may or may not include final examinations.
- The Refund Drop Date is the last day students can drop a class and still receive a refund. If students owe money to the College, they cannot drop/add a class online. If a class is dropped after this refund drop date, no refund will be given.
- Credit hours are listed last.
- Instructor's approval/signature will be required if you register after a course has met once.

## TO DROP OR WITHDRAW FROM A CREDIT CLASS

You must drop the class online using WebAdvisor on the Hub or complete and submit an "Official Drop/Add Form For Credit Classes" to the Registration and Records Office.

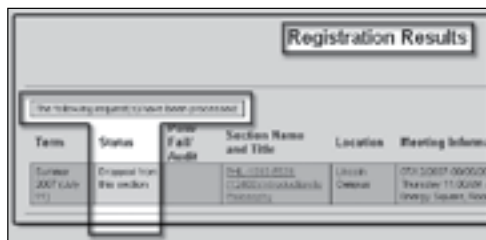

### DROPPING A COURSE ONLINE

To drop a class you are currently registered for:

1. Login to thehub.southeast.edu. (For more information on logging into the Hub, see the back cover.)
2. Select Student Registration.
3. Select Register and Drop Sections.
4. Under the Current Registrations section, check the box in front of the course you wish to drop.
5. Click the SUBMIT button at the bottom of the screen.
6. A new Registration Results screen should appear showing the status of the class you selected as "Dropped from this section."

(If you chose an action other than drop, the results of your selection should appear in the status box.)

\*\*\*If you owe the College money, you cannot drop or add classes online.\*\*\*

Students must submit an official drop form prior to the refund deadline to be eligible for a tuition refund. Failure to attend classes does not absolve the student from making complete payment for all tuition and fees associated with the student's registration.

### "NO SHOW" STUDENTS:

1. Under federal rules, the College cannot pay financial aid to students who never attend class. Financial aid will not be distributed to students who have been reported as never having attended class ("No Show" students).
2. "No Show" students will be billed and held responsible for full payment of the tuition and fees for the classes they are registered for because the "no show" student did not drop the class with an

"Official Drop/Add Form For Credit Classes" within the designated refund period. (See "Student-Initiated Drop or Withdrawal")

3. All students with a "hold" on their account (including "No Show" Students) will not be allowed to register for classes for the next term until the account is paid in full.

## WAITLISTING A COURSE

### Managing My Waitlist

When a course section reaches its maximum capacity, it is possible for students to add themselves to a waitlist via WebAdvisor on the Hub.

### Email Address

Students must have a current email address on file at Southeast Community College, before adding themselves to a waitlist. To verify your email address is accurate, go to WebAdvisor on thehub.southeast.edu and from the main menu select: Student ->Address Change. Email addresses are listed at the bottom of the page. If the address is incorrect, make the necessary changes and click->Submit. Corrections are sent directly to the registration office, however, are not immediately seen online.

### Waitlisting a course

Students can add or remove themselves from a course waitlist through WebAdvisor on the Hub. After selecting a class which is full, on the registration screen select Action->Waitlist->Submit.

Note: Students cannot waitlist themselves for classes if any of the following conditions apply: prerequisites are not complete, the student is currently registered for another section of the class or tuition is owed to the college. Also, students cannot waitlist themselves for multiple sections of the same course.

### Permission to register

When there is an opening in a class, the first student on the waitlist will be notified via email. The student can register for the section on-line by going to WebAdvisor->Student Registration->Manage My Waitlist->Action-> Register->Submit.

### One (1) day to register

When given Permission to Register, the student will have 1 day to register. At the end of this time, if a student fails to register for the designated class, the student is removed from the waitlist and the next student is notified.

### Removal from the Waitlist

On the Hub, go to WebAdvisor->Student Registration->Manage My Waitlist->Action-> Remove->Submit.

### Tuition

Students are not charged tuition for courses in which they are waitlisted. Tuition charges will not be posted to the student account until the registration process is complete.

### Dates

Last day to add your name to a waitlist for **Summer 2020** is **May 27**.

See the calendar page for a complete list of registration and waitlist dates.

**\*\*ALL WAITLISTS ARE REMOVED ON DAY 2 OF EACH TERM.**

# FINANCIAL INFORMATION

## SCHOLARSHIPS

Scholarships are awarded two times a year for new and returning students. Available scholarships are posted on campus, in the Financial Aid Office and on the SCC website. Applicants are selected on criteria specified by the scholarship donors. Scholarships are funds provided by the College or outside contributors to students based on criteria determined by the donor.

Your application will be considered and cross-referenced for all scholarships for which you qualify – you don't have to pre-select your scholarships of interest!

The SCC Scholarship application is only available ONLINE at

[www.southeast.edu/scholarships](http://www.southeast.edu/scholarships) and has open enrollment during the following calendar days:

### Current and new SCC students

- May 1-31 – planning to attend Fall Semester
- Oct. 1-31 – planning to attend the Spring Semester

### Current High School Seniors

- Dec. 1-Feb.29 – planning to attend the next academic year.

Note: To be considered for scholarships based on financial need, the applicant must also complete the FAFSA at [www.fafsa.gov](http://www.fafsa.gov) for the appropriate school year.

If a student is unable to apply online, they may contact the Financial Aid Office with an explanation of extenuating circumstances and may receive assistance with the application process.

Check your WebAdvisor page for awards or call the financial aid office!

## APPLYING FOR FINANCIAL AID

Complete the Free Application for Federal Student Aid (FAFSA) form online or obtain a paper copy. Fill it out carefully and completely and mail it as early as possible. Important: make sure you have listed the SCC campus you will be attending on the form.

A student may qualify for financial aid (PELL, SEOG, Student Loans, Scholarships, etc.).

The student is responsible for completing all required forms. If the information is not accurate or is incomplete, aid may be delayed or denied.

## FINANCIAL AID AWARDS

Southeast Community College issues an online Financial Aid award letter which informs students of the financial aid they are eligible to receive. (Your WebAdvisor account under Financial Aid. Password required)

Priority filing deadline dates have been established to prevent delays in processing Financial Aid awards. Review of documents received begins immediately. Complete information will be processed and an online Financial Aid award letter will be generated indicating financial aid eligibility for the academic year.

Please note that at the federal level, processing time for the FAFSA will be approximately three to six weeks.

## PAYMENT OPTIONS

### • WEB ADVISOR - online payments

Payment can be made with a MasterCard, Visa, American Express, or Discover credit card. This option will allow you to see the detailed charges and payments associated with your account.

### • "FACTS" eCashier Monthly Payment Plan

Students may enroll in the "FACTS" eCashier monthly payment plan. "FACTS" eCashier provides an option for budgeting tuition and other educational expenses. Contact the campus Business Office for a "FACTS" eCashier brochure which includes a copy of the Automatic Tuition Payment Agreement.

### • On campus

Payments can be made at any campus business office during regular business hours. SCC accepts cash, checks, Visa, MasterCard and Discover.

### • Third-party payment

A company or other entity may have agreed to pay for a student's tuition and fees. Proper authorization paperwork must be filed with the College on a timely basis. The student is always responsible for any amount not paid by the third party.

## FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT (FERPA)

The rights accorded students shall apply to all students 18 years of age or older, or no longer dependent upon their parents; students in a postsecondary education program, regardless of their age; and parents of eligible dependent students.

For additional information and details please refer to the College Catalog. The catalog is available online at [www.southeast.edu](http://www.southeast.edu).

## REFUND POLICY FOR CREDIT CLASSES

If you decide to discontinue your studies at SCC, refunds are calculated according to the refund formula below.

DROP DATE	COURSE START DATE	=	REFUND
COURSE END DATE	-	COURSE START DATE	

The drop date will be the date you provide an "Official Drop/Add Form" to the Registration & Records office or Drop the class online.

All days are included in the computation, including Saturdays, Sundays, holidays and week days. Students are entitled to a refund based on the Refund Table for Credit Classes.

### Refund Table (FOR CREDIT CLASSES)

% elapsed.....	% of refund
0.000 - 10.00 .....	100
10.1 and over .....	0

- Student activity fees are refundable only during the tuition refund period.
- Refunds are based on the date the Official Drop Form is submitted to the Registration and Records office.
- Refunds will not be granted after deadlines have passed.
- Refunds for classes cancelled by the College are automatically processed and do not require a drop form.
- Refund checks are mailed to the student's current address and usually take 3 to 4 weeks.
- Students who receive federal financial aid are subject to federal refund calculations.
- Students who register after the first class meeting and drop a course are subject to a refund based on the beginning dates of the course, not when they register.

Detailed information on tuition and refunds is published online and in the SCC College Catalog.

### Non-credit class REFUNDS

100% refund if dropped the day before class starts or earlier. 0% refund if the class is dropped the day the class starts or later.

## Advisors

Advisors help students understand degree requirements and maintain knowledge of transfer articulation agreements, requirements and regulations. They assist students in developing meaningful educational goals that are consistent with personal interests, values and abilities. Effective academic advising helps the student identify resources for greater academic success and helps the student navigate immediate questions and concerns and plan for the future.

Career advising services are available to all declared and undeclared students, alumni and the general public. The advising process is tailored to students' needs and includes discussion of student interests, values and aptitudes; review of various programs of study; selection of programs for further exploration; discussion of program requirements; explanation of career options available in various fields of study; and arrangement of appointments with academic or vocational program staff. Staff are able to assist older students, single parents or students entering gender nontraditional programs to be successful.

# HIGH SCHOOL CLASSES

Southeast Community College offers dual-credit classes so that high school students can earn college credit while still in high school. This summer class schedule has the courses listed among the alphabetical prefix listing pages 11-36.

## SENCAP/DUAL-CREDIT

Southeast Nebraska Career Academy Partnership is the Career Academy Pathway opportunity for high school juniors and seniors in **Southeast Community College's 15-county service area**. Classes are dual-credit, earning both high school and college credit at the same time.

For more information visit [www.southeast.edu/sencap/](http://www.southeast.edu/sencap/)

To enroll in SENCAP/Dual-credit classes, students in our 15-county service area must:

- be in good academic standing
- receive permission from both high school and parent/guardian
- have transportation to and from classes and the work-based learning experiences
- complete the SENCAP/DC Advantage application form, registration form
- and course prerequisites

All SENCAP or DC advantage high school program classes are dual-credit, and taught by dual-credit certified instructors.

## THE CAREER ACADEMY

Students in the **Lincoln Public School district** must attend the Career Academy at SCC's Lincoln Campus, 8800 O St., Lincoln, NE 68520 - <http://wp.lps.org/tca/>

The Career Academy is a joint venture between Lincoln Public Schools and Southeast Community College. Students attend TCA for two hours a day during the regular school year while taking their remaining courses back at their home high school. Transportation in the LPS district is provided, books are free, and tuition is free through scholarships or paid at a 50% discount to the regular SCC credit hour charge.

The TCA offers expert instructors and access to more than 150 professionals in business and industry who provide real world connections. These professionals serve on pathway support teams that advise, mentor, judge, provide field trips, and sometimes even offer internships for students at TCA.

## DUAL-CREDIT SCHOLARSHIP INFORMATION

SCC offers a tuition remission scholarship for all dual-credit SENCAP classes.

The "Dual-Credit Scholarship" is only available for:

- a. Students who are in SCC's 15-county service area and/or are associated with a high school in the SCC 15-county service area
- b. Students who are enrolled in Dual Credit, SENCAP or TCA Career Pathways

The "Dual-Credit Scholarship" covers:

- a. 50% tuition waiver
- b. 50% fee waiver

(The remaining half will be paid for by either the student or the K-12 school depending on available funding.)

Some courses for Health, Construction and Energy may have additional fees, not covered in the scholarship, which will pay for additional tools, course materials, state testing, and background checks.

The purchasing of textbooks is the responsibility of the student. Textbooks may be purchased at <http://sccbookstore.com>

We **encourage** sophomores to apply and explore the great career options!
