

Fiber Optics

Summer 2020

NEW! Certified Fiber Optics Boot Camp (CFOT, CFOS/S, CFOS/T)

This five-day boot camp includes three certified fiber optic courses (Certified Fiber Optics Technician, Certified Fiber Optics Specialist/Splicing, and Certified Fiber Optics Specialist/Testing & Maintenance). Cost includes study materials, exam fees and textbooks for all three courses.

Certified Fiber Optics Technician (CFOT)

Prerequisite: Able to see, identify and manipulate small items.

Introductory course designed for anyone interested in becoming a Certified Fiber Optics Technician. Coursework combines theory and 85 percent hands-on activities, preparing the students for the CFOT (Certified Fiber Optics Technician) test that is sanctioned by the FOA (Fiber Optics Association). The CFOT test is taken and graded the final class day. Students will also be introduced to industry standards governing fiber to the desk, the home, and distribution cabling.

Certified Fiber Optics Specialist/Splicing (CFOS/S)

Prerequisite: FOA CFOT Course. Students must have successfully passed the basic CFOT course within the preceding 12 months of the date of this class or have renewed their FOA membership within that time frame prior to attending the course.

This course includes a complete presentation explaining the importance of high-performance splicing and further details the points necessary to achieve these splices. The depth of this presentation is much greater than most textbooks and provides background information about splicing that is very important to the student. This course is 85% hands-on training both in fusion and mechanical splicing of either single or multimode fiber optics cables.

Certified Fiber Optics Specialist/Testing & Maintenance (CFOS/T)

Prerequisite: FOA CFOT Course. Students must have successfully passed the basic CFOT course within the preceding 12 months of the date of this class or have renewed their FOA membership within that time frame prior to attending the course.

Course offers advance training to anyone involved with the testing and maintenance of fiber optics networks. Involves 85% hands-on exploring the overall spectrum of testing and maintenance of single mode fiber optics networks and provides a detailed overview and demonstration of various pieces of equipment used in testing and maintenance.

Gap Tuition Assistance is available for those who qualify. Visit www.southeast.edu/cefnassist for assistance options. SCC staff tuition waiver does not apply. Canceling this Boot Camp requires a minimum of eight days advance notice to receive a full refund.

REGISTER ONLINE

You must have an email account to register online.

- Go to <http://bit.ly/RegisterCE>
- Search for your class** by entering a **key word** in the title or the **course number**. Click **Submit**. (Enter information in only one field for broader results.)
Key Word Example: *Driver*
Course Number Example: *TRAN-3398*
- Select the course** for which you wish to register. Click **Submit**.
- Enter your **personal information, certify your identification** and click **Submit**.
* You must provide your Social Security Number.
- Optional:** Enter your **Additional Registration Information** and click **Submit**.

- If you want to register for additional classes, select **Search for more classes** under "Choose one of the following." If you are finished selecting the class(es) for which you want to register, select **Register now (check out)**. Select your **Payment Type**. Click **Submit**.
- Enter your **payment information**. Click **Submit**.

You will see your **class acknowledgement** with information about your **SCC Student ID Number, SCC User ID** and **password**. You also will receive an email with this same information for your records.

In the future it will be easy to register by logging in using your SCC User ID and password and it will not be necessary to provide your Social Security number again.

If you have problems getting registered, please call 402-437-2700 or 800-828-0072 for assistance.

* The College requires a student's Social Security number as a condition for enrollment online. A student's Social Security number information constitutes an "educational record" under FERPA.
