
A-13b(2) PROCEDURE Use of College Facilities Regulation

Materials may not be distributed so as to interfere with pedestrian or vehicular traffic, or the educational program of the College, or to create a problem of litter. Flyers may not be placed on windshields of vehicles on College property. Costs incurred in removal of any items distributed in violation of these regulations will be billed to the individuals or organizations found responsible.

Adopted Date: 07/15/1997
