

## Home & Garden

Summer 2020

### NEW! Industrial Hemp Day Camp

Since the 2019 Legislature passed into law the farm bill which would allow hemp farming in Nebraska, growers and home gardeners are asking for a day camp. This day camp will provide an overview of the industry that is intended to better prepare students for the future and provide a comprehensive understanding of how to start growing hemp and overview of the labor involved. Topics covered will include plant diseases, pests, growing healthy plants, viewing of seedlings and plants in different stages, grow shelters, water and fertilizer, seed choices for Nebraska, soil and health amendments, harvesting/drying and potential markets.

**CANCELLED**

Upon registration you will be sent a map and driving directions to Bohemian Hills CBD, LLC. Plan on bringing a sack lunch (refrigerator will be available for your use). Dress appropriately for outdoors.

\*\*\*No questions will be discussed or answered regarding the growing or using of any illegal products or plants. If you feel you must ask these types of questions, you may be asked to leave the class.

### Small Scale Hemp Farming

From seed to harvest to processing, growers and home gardeners are asking a lot of questions.

Since the 2019 Legislature passed into law the farm bill which would allow hemp farming in Nebraska, growers and home gardeners are asking for a day camp. This day camp will provide an overview of the industry that is intended to better prepare students for the future and provide a comprehensive understanding of how to start growing hemp and overview of the labor involved. Topics covered will include licenses/permits, seed sources /seed sexing, soil types, growing cycle, sexing plants, identification of the parts of the plant, insects/prevention, harvest time/drying and lab tests required to comply with the law.

**CANCELLED**

\*\*\*Disclaimer: This class and its contents are solely intended for the purpose of preparing potential small-scale producers to become more familiar with the challenges and rewards of growing hemp with no more than 0.03% THC, as permitted by law.

\*\*\*No questions will be discussed or answered regarding the growing or using of any illegal products or plants. If you feel you must ask these types of questions, you may be asked to leave the class.
